Indoor/Outdoor Use: Both

This Fiber Clay Planter is a **cement-reinforced planter** which is also known as **fiber reinforced planter** or **clay and fiber vase**. It is perfect for indoor and outdoor use in home gardens.

Applications:

The Quangui QG-152 Fiber Clay Planter is a hand-carved planter that can be used for both indoor and outdoor plants. It is perfect for both flower and green plants and has a novelty UV-resistant finish.

Whether you're looking to add some greenery to your home or to decorate your outdoor space, the Quangui QG-152 Fiber Clay Planter is a great choice. Its modern style is perfect for any home or office and can be used as a standalone piece or as part of a larger arrangement.

The minimum order quantity for this planter is 30 PCS and it is priced at USD32. It has a delivery time of 30 days and requires a 30% deposit with the remaining 70% balance due upon delivery.

Overall, the Quangui QG-152 Fiber Clay Planter is a versatile and durable option for anyone looking to add some greenery to their space. Its cement-reinforced clay and fiber construction makes it strong and lightweight, while its hand-carved finish adds a touch of elegance.

Packing and Shipping:

Product Packaging:

The Fiber Clay Planter will be carefully wrapped with protective materials to prevent any damage during transit.

The planter will be placed in a sturdy cardboard box with additional padding to ensure its safety.

The box will be labeled with the product name, quantity, and any handling instructions.

Shipping:

The Fiber Clay Planter will be shipped via a reputable courier service.

Shipping time may vary depending on the destination, but we will provide tracking information so you can follow your shipment's progress.

Please ensure that the shipping address provided is correct and complete to avoid any delays or issues with delivery.
