## Product Description

### Product Description:

This planter is not only stylish, but also frost-resistant, making it ideal for outdoor use in all seasons. You won't have to worry about the cold temperatures damaging your plants or causing the planter to crack. The Fiber Clay Planter is built to last, ensuring that your plants will thrive and look beautiful for years to come.

One of the standout features of this planter is its hand-carved finishing, which adds a unique touch to each pot. You can be sure that no two planters are exactly alike, giving your garden or home a one-of-a-kind look. The Fiber Clay Planter is the perfect choice for anyone who wants to add a touch of modern elegance to their space while also ensuring that their plants are well-protected and cared for.

### Features:

Product Name: Fiber Clay Planter

Indoor/Outdoor Use: Both

UV Resistant: Novelty

Color: Blue, Yellow

Usage: Indoor Outdoor Home Garden

Style: Modern

Also known as: Fiber Cement Pot, Clay and Fiber Vase, Clay-Fiber Plant Pot

### Applications:

This composite clay flower pot is made of reinforced clay, making it both waterproof and fireproof. Its UV-resistant properties make it a novelty in the market. The hand-carved finishing adds to its aesthetic appeal, making it ideal for both indoor and outdoor home gardens. With a minimum order quantity of 10 sets and a price of USD28, this fiber reinforced planter is an affordable option for those looking for a high-quality product. The packaging details include paper cardboard, foam, and plastic film, ensuring that the product is delivered to you in perfect condition.

Delivery time for this planter is 30 days, and the payment terms are 30% deposit and 70% balance. With a supply ability of 100 sets per month, this product is readily available for purchase.

The Quangui QG-157 Fiber Clay Planter is versatile and can be used for both flowers and green plants. It is suitable for various application occasions and scenarios such as:

Indoor home gardens: This planter can be used to add a touch of nature to your living space. Place it on a windowsill or a corner table to brighten up the room.

Outdoor home gardens: Use this planter to create a beautiful garden on your balcony, patio, or backyard. Its waterproof and fireproof features make it an ideal choice for the outdoors.

Commercial spaces: The stylish design of this planter makes it an excellent choice for lobbies, restaurants, and other commercial spaces. You can use it to add a touch of greenery to your business.

In conclusion, the Quangui QG-157 Fiber Clay Planter is an excellent investment for anyone looking for a durable, stylish, and affordable planter. Its waterproof and fireproof features, UV-resistant properties, and hand-carved finishing make it a novelty in the market. With a supply ability of 100 sets per month, this product is readily available for purchase.
