Product Description

Product Description:

Each pot is sold as a single quantity, making it easy to mix and match with other sizes and styles to create a unique and personalized display for your plants. The small size of these pots is perfect for small to medium-sized plants, allowing them to thrive in an environment that is both functional and aesthetically pleasing.

One of the best things about these ceramic pots is how easy they are to maintain. The smooth finish ensures that they can be effortlessly wiped clean with a damp cloth, making them the perfect addition to your busy lifestyle.

Whether you're looking to add some greenery to your living room, or you're a plant enthusiast in search of the perfect pot for your latest addition, our Glazed Flower Pots are an excellent choice for any home or office space.

Features:

Product Name: Ceramic Pots

Usage: Indoor

Finish: Glossy

Material: Ceramic

Drainage: Yes

Shape: Round

These Ceramic Pots are perfect for indoor use. Their glossy finish gives them a modern look while still maintaining a traditional feel. They are made of high-quality ceramic and come with drainage holes for easy watering. The round shape of these Clay Pottery Plant Holders makes them versatile for any space. These Handmade Clay Plant Pots are a great alternative to traditional terracotta planters.

Technical Parameters:

Durability	High
Weight	Lightweight
Shape	Round
Drainage	Yes
Style	Modern
Quantity	Single
Finish	Glossy
Design	Simple
Color	Green
Function	Decorative

Applications:

The lightweight nature of these Ceramic Pots makes them easy to move around and reposition as required. Their single quantity means that they are ideal for small spaces or for those who want to add just a touch of green to their home or office.

The glossy finish of these Ceramic Pots gives them a contemporary look that is perfect for modern decor. They can be used as standalone pieces or grouped together to create an eye-catching display. The QG-CM001 model number ensures that you get the best quality product in terms of design and functionality.

These Ceramic Pots can be used for a variety of occasions and scenarios. They are perfect for adding some greenery to your home, office, or even your balcony. They can be used to grow herbs, succulents, or even small flowers.

The lightweight nature of these Ceramic Pots also makes them perfect for those who want to start a small garden but don't have a lot of space. They are easy to move around and can be placed on windowsills, shelves, or even on your desk.

In conclusion, QUANGUI's QG-CM001 Ceramic Pots are a great addition to any home or office. Their lightweight and glossy finish make them perfect for modern decor, while their drainage feature ensures that your plants stay healthy and happy. Whether you want to start a small garden or just add some greenery to your space, these Ceramic Pots are the perfect choice.

Customization:
