Support and Services:

Our Fiber Clay Planter product comes with comprehensive technical support and services to ensure that you have the best possible experience using our product. Our team of experts is available to help you with any questions or concerns you may have regarding the installation, maintenance, or repair of your planter. We also offer a range of services, including customization and design consultation, to help you create the perfect planter for your needs. Whether you are a homeowner or a professional landscaper, we are committed to providing you with the highest level of support and service. Contact us today to learn more.

Packing and Shipping:

Product Packaging:

The Fiber Clay Planter will be carefully wrapped in a protective sleeve to prevent any scratches or damage during transportation.

The planter will then be placed in a sturdy cardboard box with additional cushioning material to ensure maximum protection.

The box will be labeled with the product name, SKU number, and a fragile sticker to alert the shipping carrier to handle with care.

Shipping:

The Fiber Clay Planter will be shipped via our trusted shipping carrier within 1-2 business days after the order is placed.

Customers will receive a tracking number via email to monitor the status of their shipment.
Expected delivery time is 3-5 business days within the United States and may vary for international orders.
Please note that additional shipping fees may apply for international orders and customers are responsible for any customs or import taxes that may apply.
