Product Description

8-10 Year Outdoor Fiber Clay Vase Flowerpots Planters with Texture Finishing

Product Description:

Perfect for flowers and green plants, this planter is versatile and can be used both indoors and outdoors. Its hand-carved finishing gives it a unique and artisanal feel, making it a stand-out piece in any setting. Available in both blue and yellow, this planter allows you to add a pop of color to your garden or home decor. Its surface options include plain, matte, glossy, or texture, giving you the freedom to choose the perfect look to match your style. Our Fiber Clay Planter is also fiber reinforced, ensuring its durability and longevity. This composite clay flower pot is a great investment for any gardening enthusiast, as it is both practical and aesthetically pleasing. Overall, the Fiber Clay Planter is a reliable and stylish option for any gardening needs. Its frost resistance, hand-carved finishing, and color options make it a unique addition to any space. Order yours today!

Features:

Product Name: Fiber Clay Planter

Surface: Plain, Matte, Glossy or Texture

Feature: Light Weight, Durable, Waterproof

Finishing: Hand Carved

Color: Blue, Yellow, and more.

This Fiber Clay Planter is a cement-reinforced planter made with a combination of clay and fiber. It comes in plain, matte, glossy or textured surfaces and is hand carved to give it a unique touch. This planter is lightweight, durable and waterproof, making it perfect for indoor and outdoor use. It weighs 45 pounds and comes in blue and yellow color options.

Applications:

With a minimum order quantity of 10 sets and a price of USD28, this planter is an affordable option for those looking to add some greenery to their home or garden. The packaging details include paper cardboard, foam, and plastic film, ensuring that your planter arrives in pristine condition. The delivery time is 30 days, and payment terms require a 30% deposit and 70% balance.

The Quangui QG-002 planter is designed with drainage holes, allowing excess water to escape and preventing overwatering. Its frost-resistant character ensures that it can withstand extreme temperatures, making it perfect for use both indoors and outdoors. With a life span of 5-6 years outdoor and 7-8 years indoor, this planter is a great investment for anyone looking for a long-lasting option.

This clay-fiber plant pot is versatile and can be used in a variety of occasions and scenarios. It is perfect for indoor use, adding a touch of greenery to any room in your home. It is also ideal for outdoor use, providing a beautiful home for your plants on a patio, porch, or balcony.

The Quangui QG-002 planter is a great option for those looking for a cement-reinforced planter or a fiber-reinforced planter. With a supply ability of 300 sets per month, this planter is readily available and a great investment for any gardener.

Support and Services:

Our Fiber Clay Planters are made of a unique blend of fiberglass and clay, making them lightweight, durable, and weather-resistant. We offer a range of technical support and services to ensure that our customers get the most out of their planter, including:

Guidance on proper installation and maintenance

Advice on selecting the best planter size and style for your needs

Assistance with troubleshooting any issues that may arise

Recommendations for cleaning and storing your planter

If you have any questions or concerns about your Fiber Clay Planter, please don't hesitate to contact us. Our knowledgeable support team is always happy to help.

Packing and Shipping:

Product Packaging:

The Fiber Clay Planter will be carefully packaged in a sturdy cardboard box to prevent any damage during shipping. The planter will be wrapped in bubble wrap and the box will be filled with packing peanuts to ensure it stays in place and is protected from any impact during transit.

Shipping:

We offer free shipping for the Fiber Clay Planter to all addresses within the United States. Orders will be processed within 1-2 business days and shipped via standard ground shipping. Delivery times will vary depending on your location, but you can expect your planter to arrive within 5-7 business days.
