Introducing our Fiber Reinforced Planter, also known as the Clay and Fiber Vase or Reinforced Clay Planter. This modern planter comes in a variety of surfaces including plain, matte, glossy, or texture, and is perfect for both indoor and outdoor use. Whether you're decorating your home or garden, the blue or yellow color options will add a pop of color to your space.

Applications:

The Quangui QG-002 Fiber-Clay Planter is a versatile product that can be used for a variety of occasions and scenarios. Its unique combination of clay and fiber material makes it a durable and long-lasting option for those looking to add some greenery to their indoor or outdoor spaces.

The Fiber-Clay Planter is perfect for both residential and commercial use. It can be used to add a touch of nature to your home, office, or garden. The hand-carved finishing adds a touch of elegance, making it an ideal choice for upscale events or venues.

The planter can be used for a variety of plants, including flowers and green plants. Its round shape provides ample space for plants to grow and thrive. The planter is also lightweight, making it easy to move around and reposition as needed.

The Fiber-Clay Planter is made in China and comes with ISO9001 and CE certifications, ensuring its quality and safety. The minimum order quantity is 10 sets, with a price of USD28 per set. The planter is packaged with paper cardboard, foam, and plastic film, ensuring it arrives at your doorstep in perfect condition.

The delivery time for the Fiber-Clay Planter is 30 days, with a payment term of 30% deposit and 70% balance. Quangui has a supply ability of 300 sets per month, ensuring that your order will be fulfilled in a timely manner.

In conclusion, the Fiber-Clay Planter is a versatile and durable option for those looking to add some greenery to their space. Its unique combination of clay and fiber material, hand-carved finishing, and round shape make it an ideal choice for a variety of occasions and scenarios.

Support and Services:

Our Fiber Clay Planters are made with high-quality materials and designed to withstand various weather conditions. If you have any technical questions or concerns about your planter, our knowledgeable support team is available to assist you. We also offer services such as planter customization and repair. Please feel free to reach out to us for any further assistance you may need.

Packing and Shipping:

Product Packaging:

The Fiber Clay Planter will be packed in a sturdy cardboard box.

The planter will be wrapped in protective bubble wrap to prevent damage during shipping.

A label with the buyer's address and our return address will be affixed to the box.

Shipping:

The Fiber Clay Planter will be shipped via standard ground shipping.

Shipping will be calculated based on the weight and destination of the package.

Shipping times may vary depending on the destination, but typically range from 3-7 business days.

A tracking number will be provided to the buyer once the package has shipped.
