### Applications:

The QG-015 Fiber Clay Planter is a lightweight and waterproof pot that can be used for both indoor and outdoor gardening purposes. It is perfect for displaying your favorite flowers or green plants in your garden, balcony, or even in your living room. This fiber cement pot is sturdy and long-lasting, making sure that it can withstand harsh weather conditions.

One great feature of this planter is its blue color, which adds a pop of color to your garden. It is also easy to move around since it is lightweight, making it easy to rearrange your garden or indoor plants.

Our Fiber Clay Planter is also very easy to clean, ensuring that it stays beautiful and presentable for years to come. With a minimum order quantity of 10 sets, the QG-015 Fiber Clay Planter is priced at USD32 each, making it affordable and accessible to all.

Each set is packaged with paper cardboard, foam, and plastic film to ensure that it arrives in perfect condition. The delivery time is 30 days from the date of purchase, and the payment terms are 30% deposit and 70% balance, making it easy and convenient for you to purchase.

The Quangui Fiber Clay Planter QG-015 has a supply ability of 300 sets per month, making it readily available for all your gardening needs. So, whether you're looking to add some greenery to your home or spice up your outdoor garden, this Fiber Cement Pot is the perfect solution.
