This Fiber-Clay Planter is a Cement-Reinforced Planter that is perfect for both indoor and outdoor use. The Fiber Clay Planter is a great alternative to a traditional Clay and Fiber Vase that is not as durable or long-lasting. With a lifespan of 5-6 years outdoors and 7-8 years indoors, this planter is sure to become a favorite in your garden or home. The hand-carved finishing adds a touch of elegance to this Flower Planter & Pot, and the surface options of Plain, Matte, Glossy or Texture give you the ability to customize it to your liking. Overall, the weight of 55 pounds makes it sturdy and able to withstand the elements.

Applications:

With its round shape and blue color, the Quangui Fiber Clay Planter is sure to complement any decor style. Its unique composite material makes it stand out from traditional clay or ceramic planters, while still providing the same classic look and feel. It is certified with ISO9001 and CE, ensuring its quality and safety.

The Quangui Fiber Clay Planter is ideal for a variety of application occasions and scenarios. It can be used in indoor or outdoor settings, making it suitable for both home and commercial use. Its light weight makes it easy to move around and rearrange, while its durable construction ensures it can withstand the elements.

Whether you are a homeowner looking to add some greenery to your living space, or a landscaper in need of durable and stylish planters for a commercial project, the Quangui Fiber Clay Planter is the perfect choice. It comes with a minimum order quantity of 10 sets, with a price of USD32 per set. Packaging details include paper cardboard, foam, and plastic film, and delivery time is estimated at 30 days.
