Product Description

Modern 22 Lb Round Indoor Outdoor Fiber Clay Planter Pot With Drainage Hole For Home And Garden

Product Description:

The Fiber Clay Planter's unique texture surface adds an extra dimension to your plants, giving them a stylish and modern look. The planter is perfect for both indoor and outdoor use, with a lifetime of 7-8 years indoors and 5-6 years outdoors.

Our Fiber Clay Planter is a type of flower planter and pot, designed to hold your favorite plants and flowers. It is perfect for succulents, herbs, and small plants, providing them with the perfect environment to grow and thrive. The planter is easy to clean and maintain, making it the perfect option for busy gardeners.

This Fiber Reinforced Planter is made with high-quality materials, making it resistant to weather and UV radiation. It is perfect for those who want a durable and long-lasting planter that can withstand harsh weather conditions.

Ordering our Fiber Reinforced Planter is easy, with a sample time of only 7 days. With its unique texture surface, reinforced clay material, and long-lasting features, our Fiber Reinforced Planter is the perfect addition to your home or garden decor. Order now and enjoy the beauty of your plants in this stylish planter.

Applications:

This clay and fiber clay flowerpot is perfect for a variety of applications and occasions. Whether you want to use it for your home, office, or garden, this planter is perfect for all. You can also use it for your balcony, terrace, or patio to give a touch of nature to your surroundings.

The Quangui QG-166 Fiber Clay Planter is manufactured in China and has been certified with ISO9001 and CE. It is available at an affordable price of USD15 per set and comes with a minimum order quantity of 10 sets. The packaging details include paper cardboard, foam, and plastic film to ensure the safety of the product during transit. The delivery time is 30 days, and the payment terms include a 30% deposit and 70% balance.

This cement-reinforced planter is designed to last for a long time. It has a life span of 5-6 years outdoor and 7-8 years indoor, making it a perfect investment for your plants. The drainage holes in the planter ensure that your plants have the necessary drainage and are not overwatered.

The Quangui QG-166 Fiber Clay Planter has a textured surface that adds to the aesthetic appeal of the planter. It is available in a variety of sizes to suit your needs. The sample time is 7 days, and the supply ability is 300 sets per month.

Overall, if you are looking for a durable and long-lasting planter for your plants, the Quangui QG-166 Fiber Clay Planter is an excellent choice. Its cement-reinforced design, certification, and affordable price make it a perfect investment for your home, office, or garden.
