## Product Description

### Round Minimal Texture Light Weighted Fiber Clay Plant Pot In Black

#### Product Description:

The Fiber-Clay Planter is crafted with a unique blend of fiber and clay materials, resulting in a strong and waterproof structure. This combination also allows for a modern and sleek design that will complement any decor. Quangui, a trusted brand in the home and garden industry, has created a product that is not only stylish but also built to last. The Fiber-Clay Planter can keep its modern look for up to 7-8 years indoors and 5-6 years outdoors, making it a great investment for any plant enthusiast or landscaper. Whether you're looking to add some greenery to your patio, balcony, or living room, the Fiber-Clay Planter from Quangui is the perfect choice. Its light weight, durability, and waterproof design make it a practical and stylish solution for any space.

#### Features:

Product Name: Fiber Clay Planter  
Feature: Light Weight, Durable, Waterproof  
Color: Black, Customed  
Surface: Texture  
Life Time: Keep 5-6 Years Outdoor, 7-8 Years Indoor  
Weight: 33Pound

#### Applications:

This fiber-clay planter is made using a unique blend of materials, including clay and fiberglass, to create a lightweight and durable container. The result is a fiber reinforced planter that is resistant to frost and can withstand harsh weather conditions, making it ideal for both indoor and outdoor use. The black color of the planter adds a touch of sophistication to any space, while the customed option allows you to choose a color that complements your decor. Whether you are looking to add a pop of color to your garden or create a stunning centerpiece for your home, the Quangui QG-176 fiber reinforced clay planter is a great choice. The packaging details of this planter include paper cardboard, foam, and plastic film, ensuring that your order arrives in perfect condition. The delivery time for this product is 30 days, and the payment terms are 30% deposit and 70% balance. With a supply ability of 300 sets per month, you can be sure that you will receive your order on time. The Quangui QG-176 fiber reinforced clay planter is perfect for a variety of occasions and scenarios. Whether you are looking to add a touch of greenery to your hotel lobby or create a beautiful flower display in your garden, this planter is ideal for you. The life time of this planter is 5-6 years when used outdoors and 7-8 years when used indoors, ensuring that you get the most value for your money. Overall, the Quangui QG-176 fiber reinforced clay planter is an excellent choice for anyone looking for a durable, lightweight, and stylish container for their flowers and green plants. With its frost-resistant character, it can be used in any location, whether indoor or outdoor. So why wait? Order yours today and transform your space into a beautiful oasis.
