Ancient Style Hand Carved Frost Resistant Planter

Product Description:

Our Fiber Clay Planter is a Reinforced Clay Planter, which means it is made with a durable and long-lasting composite material that combines clay and fiberglass. This material is not only lightweight and easy to move around, but also has excellent weather resistance, making it suitable for both indoor and outdoor use.

The Fiber Clay Planter comes in a beautiful Light Yellow color that adds a touch of elegance to your space. Moreover, if you have a specific color preference, we can customize the color for you.

The Surface of the planter has a unique Texture that gives it a distinctive appearance. This texture adds a rustic look to the planter, making it perfect for a variety of decor styles.

The Drainage Holes are an essential feature of any planter. Our Fiber Clay Planter comes with drainage holes that allow excess water to drain out, preventing waterlogging and root rot.

Our Fiber Clay Planter is designed to last, making it a great investment for your home. Its high-quality material and construction make it a Reinforced Clay Planter that is built to withstand the elements.

The Composite Clay Flower Pot is available in different sizes and shapes to suit your needs. Whether you want a small planter for your desktop or a large pot for your garden, we have a variety of options to choose from.

In conclusion, our Fiber Clay Planter is an excellent choice for anyone looking for a durable and stylish planter. Its Reinforced Clay Planter construction, beautiful Light Yellow color, unique Texture, and Drainage Holes make it a must-have for any plant lover.

Applications:

Thanks to its unique blend of clay and fiber materials, the Clay-Fiber Plant Pot is both lightweight and strong, making it easy to move around while also withstanding the elements. The planter is made in China and has been certified with ISO9001 and CE, ensuring its quality.

With a minimum order quantity of only 10 sets, the QG-180 Fiber-Clay Planter is a great investment for those who need a durable and reliable product for their indoor or outdoor space. The price of USD32.4 per set is a fair deal, considering the quality of the product.

The planter is packaged with care, using paper cardboard, foam, and plastic film to ensure that it arrives at its destination in perfect condition. The delivery time is around 30 days, and the payment terms are 30% deposit and 70% balance. The supply ability of 300 sets per month ensures that customers can always count on the availability of the product they need.

The QG-180 Fiber-Clay Planter is available in a light yellow color, but can also be customized to fit your preferences. Its textured surface adds a touch of elegance that will complement any decor style. Weighing in at 52 pounds, the Fiber-Clay Planter is sturdy enough to hold large plants and trees, while also being easy to move around. Its versatility makes it suitable for a wide range of occasions and scenarios, from a hotel lobby to a private garden. To sum up, the QG-180 Fiber-Clay Planter is a high-quality and versatile product that is perfect for anyone who needs a durable and reliable planter for their indoor or outdoor space. Its unique blend of clay and fiber materials makes it lightweight, strong, and stylish, while its textured surface adds an extra touch of elegance. Don't hesitate to invest in this amazing product today!
