Applications:

The QUANGUI Fiberglass Flower Pots, Model Number QG-FP, are a versatile and durable option for any gardening or planting needs. Made in China with CE/Rohs/ISO9001 certification, these pots are of high quality and can be used in a variety of applications.

The Fiberglass Planter Pots are suitable for both indoor and outdoor use, making them ideal for a range of locations such as homes, gardens, streets, and balconies. They are available in a shiny finish that can be customized to fit your preferences and design needs. The pattern of the pot can also be customized to create a unique and personalized look.

The Fiberglass Pot For Garden is a great option for those who want to add a touch of greenery to their outdoor space. With their durable and weather-resistant construction, these pots can withstand harsh outdoor conditions and last for many years. They are also available in a range of sizes to fit your gardening needs.

The Indoor Small Fiberglass Pot is perfect for those who want to bring a bit of nature into their home. These pots are small enough to fit

on a windowsill or tabletop, yet large enough to hold a variety of plants. They are also easy to clean and maintain, making them a great choice for those who are new to gardening. The minimum order quantity for these pots is 30pcs, and the price is negotiable based on the quantity ordered. The packaging details include plastic film, paper cardboard, and bubble wrap to ensure that the pots arrive safely. The delivery time is 30-40 days, and payment terms include T/T, DDP, with a 30% deposit and 70% balance paid before shipping. The supply ability is 3000 sets each month. Overall, the QUANGUI Fiberglass Flower Pots are a great choice for anyone who wants to add some greenery to their home or garden. With their customizable design options, durable construction, and versatile applications, these pots are sure to meet your planting needs.

Customization:
