Color: Black, White, Grey, Cement, customized

This Fiber Cement Pot is a modern planter that is made of durable and eco-friendly fiber clay material. It features a unique production process that allows for arbitrary molding, resulting in a one-of-a-kind piece. The planter weighs 70 pounds and is available in black, white, grey, cement, or can be customized.

Applications:

The Quangui fiber-clay planter is suitable for indoor and outdoor use, making it perfect for a variety of occasions and scenarios. In the garden, it can be used to display beautiful flowers and plants, adding a touch of elegance to your outdoor space. In the home, it can be used as a decorative piece to enhance the aesthetic appeal of your interior decor. It is also perfect for use in hotels and other commercial spaces to create a welcoming atmosphere.

The Quangui fiber-clay planter is available in black, white, grey, cement, and custom colors, allowing you to choose the perfect color to complement your space. Its modern design makes it a great addition to any contemporary setting, and its durability ensures that it will last for years to come.

With ISO9001 and CE certifications, you can be assured of the quality of the Quangui fiber-clay planter. It has a minimum order quantity of 10 sets and a price of USD 43.6 per set. It is packaged with paper cardboard, foam, and plastic film for protection during transportation, and has a delivery time of 30 days. Payment terms are 30% deposit and 70% balance, and supply ability is 300 sets per month.

In summary, the Quangui fiber-clay planter QG-018 is a versatile and durable product suitable for indoor and outdoor use. Its modern design and range of colors make it a great addition to any space, and its cement-reinforced material ensures its longevity. With certifications and a minimum order quantity of 10 sets, you can be assured of its quality, and its packaging and delivery details make it easy to transport and receive.

Customization:

Our Quangui QG-018 Fiber Clay Planter is a durable and stylish option for your indoor and outdoor gardening needs. Made from composite clay materials reinforced with cement, this clay-fiber plant pot is strong enough to withstand harsh weather conditions and frequent use.

Our planters come in black, white, grey, and cement colors, or can be customized to fit your specific design needs. In addition to the standard colors, the cement-reinforced planter can be customized to match your home or garden decor.

Our planters are ISO9001 and CE certified and have a minimum order quantity of 10 sets. Each set is priced at USD45 and comes with packaging details including paper cardboard, foam, and plastic film. The delivery time for each order is estimated to be 30 days.

We require a 30% deposit for each order, with the remaining 70% balance due upon delivery. Our supply ability is 300 sets per month.

This planter is perfect for both indoor and outdoor use and can hold a variety of flower and green plants. The sample time for our fiber clay planter is 7 days.
