Applications:

These Garden Outdoor Pot Fiberglass planters are perfect for real or artificial tree planters and can be customized with a shiny finish to match your style and decor. The Fiberglass material is lightweight, making it easy to move and rearrange your plants. With its strong and sturdy structure, these planters won't crack or break easily, ensuring a long-lasting investment for your garden or indoor space. The QG-FP Fiberglass Flower Planter is certified with CE/Rohs/ISO9001, ensuring that it meets international standards for quality and safety. Our minimum order quantity is only 30pcs, making it easy for you to get started with your gardening projects. The price is negotiable, and we offer packaging details of plastic film + paper cardboard + bubble wrap to ensure safe delivery. The delivery time is 30-40 days, and we accept payment terms of T/T, DDP, with a 30% deposit and 70% balance paid before shipping. With a supply ability of 3000 sets each month, the QG-FP Fiberglass Flower Planter is a great investment for any gardening enthusiast, landscaper, or designer. Its versatility and durability make it perfect for various occasions and scenarios, such as outdoor and indoor events, parks, shopping malls, hotels, and restaurants. The Fiberglass material also makes it resistant to UV rays, ensuring that your plants won't get damaged by the sun's harmful rays.
