Product Description

Product Description:

Not only is this artificial plant visually appealing, but it is also waterproof, ensuring that it can withstand accidental spills or moisture buildup without damaging the plant. Additionally, it is UV resistant, meaning that it won't fade or discolor when exposed to sunlight, making it an ideal choice for both indoor and outdoor use.

Cleaning this plant is a breeze, as it is easy to wipe down with a damp cloth or simply dust off with a soft brush. With a size of 50-60CM and various sizes available, this artificial aloe plant is a versatile option that can fit into any space, whether it be a small apartment or a spacious office building.

Whether you're looking to add some greenery to your home or office, our artificial aloe plant is a high-quality and convenient option. Purchase in bulk for wholesale pricing and elevate your interior design with ease.

Applications:

The QUANGUI Artificial Plants, model number LH-061-5001, are the perfect addition to any modern design style. These high-quality plastic plants are made in China and have been certified with ISO standards. The minimum order quantity for these plants is 30, and they are priced at 14.23USD per set. The packaging details for these plants are in a carton and have a delivery time of 10 days. Payment terms for these plants require a 30% deposit and a 70% balance. The supply ability for these plants is 1000 sets per month.

These artificial plants are perfect for interior usage in any home, office, living room, bedroom, staircase, or lobby. Their realistic appearance makes them highly realistic and durable as they are long-lasting. They are also easy to clean, making maintenance simple and convenient. The UV-resistant feature of these plants ensures that they will not fade or discolor easily, even when exposed to direct sunlight.

The artificial plants come in various sizes, with a size range of 50-60CM. They are available in different sizes to fit any space and design needs. The QUANGUI Artificial Plants are a cost-effective way to add greenery to any space without the hassle of maintaining real plants. These plants are perfect for those who want to add a touch of nature to their space without the hassle of watering, pruning, or dealing with pests.

Support and Services:

Our Artificial Plants product comes with full technical support and services to ensure your satisfaction. Our team of experts is available to assist you with any questions or concerns you may have about the product, including installation, maintenance, and troubleshooting.

We also offer a range of services to help you get the most out of your Artificial Plants. Our installation and setup services can ensure a seamless and hassle-free experience, while our maintenance and repair services can help keep your product in top condition for years to come.

If you require further assistance, please do not hesitate to contact us. We are committed to providing you with the best possible support and services for our Artificial Plants product.

Packing and Shipping:

Product Packaging:

The artificial plants will be carefully wrapped with bubble wrap to ensure they are not damaged during transit.

The plants will then be placed in a sturdy cardboard box with packing peanuts to prevent any movement during shipping.

The box will be labeled with the product name and any necessary handling instructions.

Shipping:

Shipping will be done through a reputable courier service.

Customers will receive a tracking number once the order has been shipped.

Shipping times may vary depending on the destination and shipping method selected.
