Applications:

These artificial cactus trees are suitable for various occasions and scenarios. They are perfect for home decoration, adding a touch of greenery to your living room, bedroom, staircase, or even your lobby. Their unique design and UV-resistant feature make them suitable for use in offices, creating a pleasant and refreshing atmosphere in the workplace.

These artificial plants come in various sizes, with the size of 130-150CM being the standard. However, QUANGUI provides various sizes to cater to different needs. They are easy to maintain and require no watering or sunlight, making them ideal for busy individuals who want to add some green to their space without the hassle of caring for real plants.

QUANGUI's Artificial Cactus Tree comes with ISO certification, ensuring that they meet the highest quality standards. The minimum order quantity is 30, and the price is 13.07USD per set. The product is packed in cartons and has a delivery time of 10 days. Payment terms include a 30% deposit and 70% balance. The supply ability of this product is 1000 sets per month, ensuring that customers can easily purchase them.

Packing and Shipping:

Product Packaging:

Our artificial plants are carefully packaged to ensure they arrive in perfect condition. Each plant is wrapped in protective material and

placed in a sturdy cardboard box with additional padding to prevent any damage during transit.

Shipping:

We offer free shipping on all orders of our artificial plants within the continental United States. Orders are processed within 1-2 business days and shipped via standard ground shipping. Delivery typically takes 3-7 business days depending on your location. For international orders, please contact us for shipping rates and delivery times.
