Product Description

Product Description:

Made with high quality materials, this faux plant is a great addition to any home or office space. The realistic appearance of this plant is sure to impress and fool even the most experienced plant enthusiasts.

Made with waterproof technology, this Artificial Plant can be placed in any room, even those with high humidity levels, without the fear of it getting damaged. The green color of the plant is vibrant and will add a pop of color to any space.

This Artificial Plant is made with plastic, making it durable and long-lasting. You won't have to worry about it wilting or dying, and it's easy to clean. It's perfect for those who love the look of plants but don't have the time or energy to take care of them.

Our Artificial Plants are a great way to add life to any space without the hassle of real plants. They are perfect for those who want the look of a high quality tree plant, without the maintenance.

In conclusion, if you are looking for a realistic and low-maintenance addition to your home or office space, our Artificial Plants are the perfect choice. With their high-quality materials and waterproof technology, you can be sure that they will last a long time and add a touch of nature to any space.

Applications:

Introducing the eco-friendly and high quality artificial plants from QUANGUI, model number TER-083-14003#G, made in China and certified by ISO. These artificial plants are perfect for a variety of occasions and scenarios, including:

Home decor: Add a touch of green to your living room, bedroom, or any other room with these beautiful and low maintenance artificial plants. They are hypoallergenic and insect resistant, making them a great choice for people with allergies or pets.

Office spaces: These artificial plants are a great way to add some greenery to your office without the hassle of maintaining real plants. They are also a great choice for offices with low natural light.

Events: Whether you're planning a wedding, party, or corporate event, these artificial plants are a great way to add some natural beauty to your decor. They are easy to transport and set up, and they won't wilt or die like real plants.

Retail displays: If you're looking for a way to add some visual interest to your retail space, these artificial plants are a great choice. They are durable and long-lasting, and they won't require any watering or other maintenance.

These artificial plants are made from high quality plastic and are designed to look just like real plants. They are available in a beautiful shade of green and come packaged in a carton. The minimum order quantity is 20 sets, and the price is just 18.99USD per set. Delivery time is 10 days and payment terms are 30% deposit, 70% balance. We have a supply ability of 1000 sets per month, so you can be sure that we can meet your needs.
