## Product Description

### Durable Fiber Clay Flower Pot Planter With Smooth Surface For Hotel And Garden

#### Product Description:

The Fiber Clay Planter comes in three different colors, Blue, Black, and custom-made color options to fit your personal style and decor. You can easily match this planter with any furniture and walls, making it a versatile piece of decor. The round shape of the planter gives it a classic and timeless look that will never go out of style.

The Fiber Clay Planter is a large planter that can hold a wide range of plants, making it perfect for any indoor or outdoor plant. One of the best features of this planter is that it comes with drainage holes, ensuring that your plants will not be over-watered, which can lead to root rot and other plant diseases. With the drainage holes, you can be assured that your plants will thrive and grow healthily.

The Fiber Clay Planter is not only durable but also waterproof and fireproof. This means that you can use this planter in any weather and temperature without worrying about it getting damaged. You can also use this planter as a fire pit, making it a great addition to your outdoor area.

In conclusion, the Fiber Clay Planter is a perfect combination of functionality and style. With its smooth surface, three different color options, large size, drainage holes, and waterproof and fireproof features, this planter is an excellent investment for anyone who loves plants and wants to add a touch of elegance to their home or office. Don't hesitate to get your Fiber Clay Planter today and enjoy the beauty of nature in your own space!

#### Features:

Product Name: Fiber Clay Planter

Drainage Holes: YES

Weight: 198Pound/set

Finishing: Hand Carved

Used: Flower/Green Plant

Location: Indoor, Outdoor, Garden, Home, Hotel

This Fiber Clay Planter is a versatile and durable planter that can be used for both indoor and outdoor plants. It is made from a combination of clay and fiber, making it strong and lightweight. The planter has drainage holes to ensure proper water drainage and prevent overwatering. It is hand-carved to give it a unique and elegant look. This Cement-Reinforced Planter is perfect for flowers and green plants. Use it in your garden, home, or hotel to add a touch of sophistication to your space.

#### Applications:

The QG-082 planter is hand-carved with a beautiful design that makes it perfect for indoor and outdoor use. This clay-fiber plant pot is frost-resistant, ensuring that it maintains its beauty and quality throughout the year. As a fiber-reinforced planter, it is durable and can withstand harsh weather conditions, making it perfect for use in the garden.

The QG-082 Fiber Clay Planter is the perfect product for those who love gardening and want to add a touch of elegance to their homes.

This product type is a flower planter and pot, suitable for any kind of plant. The sample time for this product is 7 days, allowing you to test it out before committing to a purchase.

The QG-082 Fiber Clay Planter is suitable for a variety of occasions and scenarios. It can be used for home gardening, adding a touch of greenery to your indoor or outdoor spaces. It can also be used in commercial settings, such as hotels, restaurants, and other businesses that want to create a welcoming ambiance. The planter is versatile and can be used as a standalone piece or as part of a larger garden or landscape design.

The QG-082 Fiber Clay Planter is a great investment for anyone who loves gardening and wants to add a touch of elegance to their home or business. With a supply ability of 300 sets per month, it is readily available for purchase. Order yours today and enjoy the beauty and durability of this fiber-reinforced planter.
