## Product Description

### Durable Hand Carved Reinforced Fiber Clay Planters

#### Product Description:

Made from high-quality materials, this Fiber-Clay Planter is built to last. The material used in crafting this product is a combination of clay and fiber, making it durable and long-lasting. It can withstand harsh outdoor elements, making it perfect for your garden or patio. This Flower Planter & Pot is large and high enough to accommodate your plants. It has a unique hand-carved finishing that adds a touch of sophistication to your gardening experience. The hand-carved design is not only elegant but also unique, making it a perfect conversation starter during outdoor gatherings.

The Fiber-Clay Planter is also waterproof and fireproof, making it a safe and reliable choice for your gardening needs. It can withstand extreme weather conditions, ensuring that your plants are safe and secure. With this product, you don't have to worry about water damage or fire hazards, making it a great investment for your home.

One of the best things about this Fiber-Clay Planter is its weight. It weighs 195 pounds per set, making it stable and sturdy. You don't have to worry about it being knocked over by strong winds or heavy rains. It is also easy to move around, allowing you to change its position to suit your gardening needs.

In conclusion, if you're looking for a durable, large, and elegant Flower Planter & Pot, then the Fiber-Clay Planter is the right choice for you. Its hand-carved finishing adds a touch of sophistication to your gardening experience, while its waterproof and fireproof features make it a safe and reliable choice. The combination of clay and fiber materials used in crafting this product ensures its longevity, making it a great investment for your home or office space. Get your Fiber-Clay Planter now and take your gardening experience to the next level!

#### Applications:

This modern QG-083 model of fiber clay planter is manufactured in China and is ISO9001 and CE certified, ensuring its quality and durability. The minimum order quantity for this product is 10 sets, and the price is only USD118 per set, making it an affordable option for those looking for a high-quality planter.

The QG-083 Fiber Clay Planter has drainage holes, which is a crucial feature for plants' growth. It allows excess water to drain away, preventing waterlogging and root rot. It is perfect for planting different types of flowers, shrubs, and small trees.

This product comes in paper cardboard, foam, and plastic film packaging, making sure that your planter arrives safely and in good condition. The delivery time for this product is 30 days, and the payment terms are 30% deposit and 70% balance.

With a weight of 195 pounds per set, the QG-083 Fiber Clay Planter is a lightweight option that can be easily moved around as needed. Its modern style and design make it an excellent fit for any indoor or outdoor space.

The Quangui QG-083 Fiber Clay Planter is capable of holding up to different weather conditions and is perfect for use in any environment. Its material, fiber clay, is a composite of clay and fiberglass, which makes it a sturdy and durable option.

This fiber clay planter is perfect for both commercial and residential use, making it a versatile option for any occasion or scenario. It can be used in hotels, offices, gardens, streets, and any other public areas. It is an excellent choice for those looking for a stylish and functional planter that can withstand different weather conditions.

With a supply ability of 300 sets per month, the QG-083 Fiber Clay Planter is a readily available option for anyone looking for a reliable and durable planter.
