Product Description

Round Fiber Clay Planter For Flower Planters Pots Life Time Keep 5-6 Years Outdoor

Product Description:

The Fiber Cement Pot is hand-carved, which gives it a unique and modern look that is perfect for contemporary homes and offices. The hand-carved finishing also ensures that each planter is unique and has its own character. It has a black color, which is perfect for those who want a neutral and modern look. However, it can also be customized to fit your personal style and preferences.

This planter is perfect for those who want a low-maintenance plant that can survive in different weather conditions. The fiber clay material is resistant to extreme temperatures and can withstand harsh weather conditions, making it perfect for outdoor use. It is also easy to clean and maintain, which means that you can keep your plants healthy and thriving without any hassle.

The Fiber Cement Pot is not only functional, but it is also a stylish and modern addition to any home or office. It is perfect for those who want to add a touch of sophistication and elegance to their space. It is also an eco-friendly option, as it is made of sustainable materials that are good for the environment.

In summary, the Fiber Cement Pot is a durable, waterproof, fireproof, and lightweight planter that is perfect for flower and green plant enthusiasts. Its hand-carved finishing and modern style make it a stylish addition to any space. It is also easy to clean and maintain, making it a low-maintenance option for those who want a hassle-free plant. Its black color is perfect for those who want a neutral and modern look, but it can also be customized to fit your personal style and preferences. Get your Fiber Cement Pot today and add a touch of sophistication and elegance to your space!

Features:

Product Name: Fiber Clay Planter

Finishing: Hand Carved

Used For: Flower/Green Plant

Surface: Smooth

Sample Time: 7 Days

Frost Resistant: Character

This Fiber-Clay Planter is a cement-reinforced planter with a smooth surface. It is hand-carved and frost-resistant, making it perfect for use with flowers and green plants. Sample time is 7 days.

Applications:

Each planter is made in China and has earned both ISO9001 and CE certifications, ensuring that you receive a high-quality product that has passed rigorous safety and quality standards. With a minimum order quantity of just 10 sets and a price of USD36 per set, you can easily add these Clay and Fiber Vases to your home or business without breaking the bank. Plus, with a packaging consisting of paper cardboard, foam, and plastic film, you can be confident that your order will arrive in perfect condition.

The Quangui QG-181 Fiber Clay Planter is available in black or custom colors, allowing you to match your planters to any decor or color scheme. The round shape of these planters is perfect for showcasing a wide variety of plants, from small succulents to larger flowers and shrubs.

Thanks to the use of fiber in the construction of these planters, they are incredibly lightweight and easy to move, making them perfect for indoor or outdoor use. Whether you want to add some greenery to your living room, balcony, or front porch, these planters can easily be moved and rearranged to suit your needs. With a supply ability of 300 sets per month, you can easily order additional planters as needed. In summary, the Quangui QG-181 Fiber Clay Planter is a versatile and durable addition to any home or business. With its modern style, lightweight construction, and ability to be used both indoors and outdoors, this planter is perfect for any plant enthusiast or business owner looking to add some greenery to their space.

Customization:

Packing and Shipping:

Product Packaging:

The Fiber Clay Planter is carefully packaged to ensure its safe arrival. Each planter will be packed in a sturdy cardboard box with appropriate cushioning materials to prevent any damage during shipping.

Shipping:

We offer free standard shipping on all Fiber Clay Planter orders within the continental United States. Orders are processed within 1-2 business days and shipped via UPS or FedEx Ground. Delivery time may vary depending on the destination, but typically takes 3-7 business days.
