Applications:

Whether you are looking to add a decorative touch to your home or garden, or create a peaceful atmosphere in your office, this fountain is the perfect choice. Its elegant design and calming water flow will create a relaxing ambiance that will help you de-stress and unwind.

The Resin Fountain is suitable for both indoor and outdoor use, making it ideal for a wide range of applications. In addition, it is easy to install and comes with all the necessary hardware. You don't need any special tools or skills to set it up, and it can be up and running in just a few minutes.

The fountain is available in customizable sizes to suit your specific needs. It is also weather-resistant, which means it can withstand rain, wind, and other outdoor elements without rusting or corroding. This makes it a great option for outdoor events such as weddings, parties, and festivals.

Each Resin Fountain is carefully packaged in bubble foam and paper carton to ensure that it arrives at your doorstep in perfect condition. The fountain is manufactured in Foshan, China, and comes with ISO certification to guarantee its quality and safety.

The minimum order quantity for this product is 6PCS, and the price is 65.33USD per unit. The delivery time is 30 days, and the payment terms are 30% deposit and 70% balance. The supply ability is 1000 sets per month, making it a reliable option for businesses that need a large quantity of fountains.

Support and Services:

Our Resin Fountain product comes with technical support and services to ensure customer satisfaction. Our team of experts is available to assist with any technical issues that may arise with the product.

We offer troubleshooting assistance to help customers identify and resolve any problems they may encounter. In addition, we provide maintenance services to keep the fountain in optimal condition for long-lasting use.

Our technical support and services are designed to provide customers with peace of mind and ensure that they can enjoy their Resin Fountain to the fullest.

Packing and Shipping:

Product Packaging:

The Resin Fountain will be carefully packaged in a sturdy box with ample cushioning to prevent damage during shipping.

All necessary components, including the fountain, pump, and power cord, will be included in the package.

Instructions for assembly and operation will also be included.

Shipping:

The Resin Fountain will be shipped via standard ground shipping.

Shipping times will vary depending on the destination, but customers can expect their fountain to arrive within 5-7 business days.

Customers will receive a tracking number once their order has shipped so they can track their package.
