## Product Description

### High Quality Square Garden Home Greenhouse Plastic Flower Pots Planter Everyday Direct Factory Plants Seedling Nursery

#### Product Description:

Our PE Flower Pots are perfect for planting seedlings, flowers, and various other plants. Each pot also comes with drainage holes, which helps to ensure that excess water is drained out properly, preventing overwatering and root rot.

One of the best features of our Plastic Flower Pots is that they are lightweight, making them easy to move and transport. This makes them ideal for those who like to switch up their garden decor frequently, or for those who want to move their plants indoors during colder weather.

Our Small Pots are made from high-quality plastic that is durable and long-lasting. They are easy to clean and maintain, making them a great investment for any gardener. The assorted colors add a pop of color to any garden, and the lightweight design allows you to move them around as needed.

Overall, our Plastic Flower Pots are a great addition to any garden. They are versatile, durable, and easy to use, making them perfect for both novice and experienced gardeners. So whether you are just starting out or looking to add to your collection, these flower pots are a must-have!

#### Applications:

QUANGUI QGP 90-5808H plastic flower pot is a versatile product that can be used in different occasions and scenarios. Here are some examples:

Small Pots:

QUANGUI QGP 90-5808H plastic flower pot can be used as a small pot to grow small plants such as succulents, cacti, or herbs. Its compact size (90mm diameter x 80mm height) makes it easy to place on a windowsill, desk, or shelf. The pot has a drainage hole at the bottom to prevent overwatering, which is essential for small plants.

Indoor Flower Pots:

QUANGUI QGP 90-5808H plastic flower pot is suitable for indoor use as it does not break or crack easily. It can be used to grow a variety of flowers such as roses, tulips, or daisies. The pot has a simple and elegant design that blends well with any indoor decor. It is also easy to move around if needed, thanks to its lightweight material.

**Garden Planter Pot:**

QUANGUI QGP 90-5808H plastic flower pot can also be used as a garden planter pot for outdoor use. It can withstand different weather conditions such as rain, sun, or wind without fading or losing its shape. The pot has a large capacity (580mm diameter x 420mm height) that can accommodate bigger plants such as trees or shrubs. It is also easy to transport from one place to another, thanks to its built-in handles.

In conclusion, QUANGUI QGP 90-5808H plastic flower pot is a versatile product that can be used in different product application occasions and scenarios. It is a cost-effective solution for growing plants, both indoor and outdoor. Its durability, eco-friendliness, and easy-to-clean feature make it a popular choice among gardening enthusiasts.

### **Support and Services:**

Our Plastic Flower Pot product is designed to provide a durable and lightweight option for displaying your favorite plants. If you encounter any technical issues or have questions about the product, our technical support team is available to assist you. We also offer a range of services including product maintenance and repair, as well as replacement parts if needed. Please don't hesitate to reach out to us if you require any assistance with your Plastic Flower Pot.

## Packing and Shipping:

### Product Packaging:

- Each plastic flower pot will be placed in a plastic bag to prevent scratches and dirt.
- The plastic bag will then be placed inside a cardboard box with cushioning materials to ensure safe transport.

### Shipping:

- We offer free shipping within the United States.
- International shipping rates vary depending on location.
- Orders will be processed within 1-2 business days and shipped via standard shipping.
- Expedited shipping options are available at an additional cost.
