Product Description

Set Of Multiple Lightweight Indoor And Outdoor Flower Pot Plant Pot Vases With Drainage Holes

Product Description:

Our eco-friendly flower pots are made from high-quality plastic material, ensuring durability and longevity. You can use them season after season without worrying about cracks or breaks. Plus, they are lightweight and easy to move around, making them perfect for creating beautiful flower displays anywhere in your home or garden.

Our round flower pots are finished without any coating, allowing you to customize them however you like. You can paint them, add stickers, or even decorate them with your favorite patterns and designs. The possibilities are endless, making them a fantastic choice for anyone who loves to add their personal touch to their indoor flower pots.

These plastic flower pots are also ideal for outdoor gardening. They are weather-resistant, so you can leave them outside without worrying about damage from the elements. They are perfect for growing herbs, vegetables, and other plants, too.

Our round flower pots are versatile and can be used to plant a variety of things, from small seedlings to large flowers. They are perfect for creating beautiful flower arrangements in your home, office, or garden. You can mix and match different colors and sizes to create a stunning display that will impress anyone who sees it.

In conclusion, our plastic flower pots are perfect for anyone who loves indoor and outdoor gardening. They are eco-friendly, durable, and versatile, making them a fantastic choice for anyone who wants to create beautiful flower displays in their home, office, or garden. Order yours today and see the difference they can make!

Applications:

QUANGUI's QGP 90-8038 Plastic Flower Pot is a versatile product that caters to different planting needs. Its round shape and assorted colors make it a suitable choice for various occasions and scenarios both indoors and outdoors. Here are some product application ideas:

Indoor Planting

These Plastic Flower Pots are perfect for planting seedlings, flowers, and other indoor plants. The drainage holes ensure that the plants don't get overwatered and the customizable logo option lets you personalize the pots to match your decor.

Outdoor Gardening

Use these Flower Pots to create beautiful outdoor gardens. The durable plastic material ensures that the pots won't break or crack in harsh weather conditions. The pots are also easy to move around, allowing you to change up your garden's look as per your preference.

Home Decor

The QGP 90-8038 Plastic Flower Pot is an excellent accessory for interior designing. The pots come in assorted colors that can be matched to your room's color scheme. They can be used as standalone decorative pieces or as plant holders to add a touch of nature to your space.

Event Decoration

These Plastic Flower Pots can be used for event decoration purposes such as weddings, parties, and other gatherings. The pots can be personalized with your desired logo, making them a perfect addition to your event theme.

Overall, the QGP 90-8038 Plastic Flower Pot is a versatile product that can be used for various occasions and scenarios. With a minimum order quantity of just 30, a price of 3.28USD, and ISO certification, these Flower Pots are an affordable and reliable choice. The packaging details include carton, and the delivery time is just 10 days. The payment terms include a 30% deposit and 70% balance, making it easy for you to order. With a supply ability of 1000 sets per month, you don't have to worry about running out of stock.
