Product Description

Fiberglass Hanging Planters With Drainage Hole For Indoor And Outdoor Decor

Product Description:

Our flower pots are available with or without drainage holes, ensuring that your plants get the right amount of water they need. The customized designs available for these flower pots make them an ideal option for those looking to add a personal touch to their decor. You can choose your own design or work with our team to create a unique design that suits your style.

Our lead time for these pots is 15-20 days, ensuring that you receive your customized flower pots in a timely manner. We also offer various sizes for these pots, making them perfect for both small and large plants alike. Whether you need a larger pot for a statement plant or a smaller pot for a windowsill herb garden, we have the perfect size for you.

We offer both customized sizes and sizes based on existing molds, ensuring that you can find the perfect size for your needs. Our flower pots are made using high-quality materials such as fiber glass and fiber clay planter, ensuring that they are durable and long-lasting. These materials also make them lightweight and easy to move, making rearranging your indoor or outdoor decor a breeze.

With a production time of 10-60 days, we can create the perfect customized flower pot for you in a timely manner. Whether you are looking to add a touch of greenery to your home or want to create a beautiful outdoor oasis, our flower pots are the perfect addition to any space.
