Product Description

Product Description:

Measuring at 6 inches in size, these GRC flower planters are perfect for showcasing your favorite flowers or plants. With a drainage hole included, you can ensure that your plants are getting the proper amount of water and are not at risk of being overwatered.

The GRC Planter Pots come in a sleek and modern white color, providing a clean and sophisticated look to any outdoor space.

Not only are these concrete cement flower pots aesthetically pleasing, but they are also UV resistant, ensuring that the color will not fade over time.

Whether you live in a hot or cold climate, these GRC Planter Pots are designed to withstand any weather conditions, making them perfect for year-round outdoor use.

Upgrade your garden or outdoor space with the GRC Planter Pots, the durable, weather-resistant, and stylish choice for your plants.

Applications:

The QUANGUI QG-C008 Planter Pots are perfect for a variety of occasions and scenarios. They are ideal for use in homes, offices, and other indoor locations where plants are desired. They are also perfect for outdoor use, such as on patios, decks, or in gardens. These pots are also great for use in restaurants, hotels, and other commercial settings where they can be used to add a touch of greenery to the decor.

One of the great features of these planter pots is that they are easy to clean. Their ceramic material is resistant to stains and can be easily wiped clean with a damp cloth. This makes them perfect for use in high-traffic areas, where spills and messes are common.

The QUANGUI QG-C008 Planter Pots are also very durable. They are made of high-quality ceramic material, which is strong and resistant to damage. They can withstand a variety of weather conditions, making them perfect for use in outdoor settings. They are also resistant to fading, so they will maintain their beautiful appearance for years to come.

These planter pots are packaged in strong wooden cases to ensure that they arrive to their destination in perfect condition. They are also certified with ISO, which guarantees their quality and safety. The minimum order quantity is 10 sets, and the price is USD70/set. The delivery time is 30 days for a 40HQ container, and payment terms are T/T, Western Union, and MoneyGram. The supply ability is 1000 pieces per month.

In conclusion, QUANGUI QG-C008 Planter Pots are an excellent choice for anyone in search of a high-quality, durable, and easy-to-clean planter pot. They are perfect for a variety of occasions and scenarios, such as in homes, offices, restaurants, and hotels. Their unique design and size of 6 inches add a touch of elegance to any room or garden.
