This high quality tree plant is perfect for Garden, Hotel, Home, and Office Decor. It is made of high quality plastic.

Applications:

These Artificial Plants come in a variety of sizes, with the standard size being 90cm. However, various sizes are available to suit your specific needs. They are hypoallergenic, making them safe for people with allergies and respiratory problems. They are also easy to maintain, requiring no watering or pruning.

These Artificial Plants are perfect for a variety of occasions and scenarios. They are great for adding a touch of greenery to your home or office without the hassle of maintaining real plants. They are also ideal for outdoor events such as weddings, parties, and festivals, where you want to create a natural ambiance without the risk of damaging real plants.

These Artificial Plants are also perfect for commercial spaces such as hotels, restaurants, and shopping malls. They can add a touch of nature to these spaces, creating a relaxing and welcoming environment for guests and customers.

These Artificial Plants are certified with ISO, ensuring that they meet international quality standards. The minimum order quantity for these plants is 10, and they are priced at 10.5 USD each. They are packed in a carton for safe transportation, and delivery time is 10 days. Payment terms are 30% deposit, 70% balance, and the supply ability is 1000 sets per month.

Customization:

Support and Services:

Our artificial plants are designed to be low-maintenance and durable, but if you do run into any issues with your product, our technical support team is here to assist you. We offer troubleshooting assistance and can provide guidance on how to care for your artificial plants to ensure they continue to look their best.

In addition to technical support, we also offer various services to enhance your experience with our artificial plants. These services include custom design and installation, as well as rental options for events and special occasions. Contact us to learn more about our services and how we can help you create the perfect artificial plant display.

Packing and Shipping:

Product Packaging:

Our artificial plants are carefully packaged to ensure they arrive in perfect condition. Each plant is wrapped in protective materials and placed in a sturdy box.

Shipping:

We offer fast and reliable shipping for all our artificial plants. Orders are typically processed within 1-2 business days and shipped via standard or expedited shipping methods. Shipping rates vary based on the destination and weight of the order.
