Product Description

Versatile Material Plastic For Indoor/Outdoor Applications Waterproof Yes

Product Description:

With its realistic design and attention to detail, this artificial agave tree looks just like the real thing. It stands at a height of 120-150cm, making it a great choice for larger spaces. Whether you're looking to add some greenery to your living room, bedroom, or office, this artificial plant is the perfect choice.

In addition to its stunning design, this artificial agave tree is also hypoallergenic, making it a great choice for those with allergies. Unlike real plants, this artificial plant doesn't produce pollen or other allergens that can irritate your nose and throat.

Another great feature of this artificial agave tree is its low maintenance requirements. Unlike real plants, which require regular watering and care, this artificial plant requires no maintenance at all. Simply set it up in your desired location and enjoy its beauty for years to come.

Whether you're looking for a high-quality tree plant for your home or office, this 120-150cm Artificial Agave Tree is the perfect choice. Its realistic design, hypoallergenic properties, and low maintenance requirements make it a great choice for any space.

So why wait? Order your Artificial Agave Tree today and start enjoying the beauty of nature in your home or office space!

Applications:

QUANGUI BXM-081-12002 and BXM-081-15003 Artificial Plants are the perfect solution for adding greenery to your indoor spaces. Made from high-quality plastic material, these faux plants are designed to imitate the natural look of real plants without the hassle of maintenance. The plants are manufactured in China and are ISO certified, ensuring that they are of high quality and durable.

The artificial plants are ideal for interior decoration in homes, offices, living rooms, bedrooms, staircases, lobbies, and any other indoor space. They add a touch of nature to any room and create a peaceful and relaxing atmosphere. They are perfect for those who do not have the time or inclination to take care of live plants.

These artificial plants have a long life span of 3-5 years, making them a cost-effective alternative to live plants. They are easy to clean and maintain, and do not require watering or fertilizing. They are also waterproof, making them suitable for use in humid areas such as

bathrooms and kitchens.

The modern design style of these faux plants makes them perfect for contemporary interiors. They are available at a price range of 22.87-23.8USD, with a minimum order quantity of 10 sets. The packaging details include a carton, and the delivery time is 10 days. The payment terms are 30% deposit and 70% balance, and the supply ability is 1000 set/month.

Customization:

Support and Services:

Our Artificial Plants product comes with technical support and services to ensure that our customers have the best experience possible. Our team of experts is available to assist with any questions or concerns regarding the product's installation, maintenance, and troubleshooting. We also offer repair and replacement services for any damaged or defective parts. Our goal is to provide our customers with the highest quality products and support to ensure their satisfaction.

Packing and Shipping:

Product Packaging:

Each artificial plant will be carefully wrapped in tissue paper to prevent any damage during transit.

The plant will then be placed in a sturdy cardboard box with packing material to ensure it stays in place.

The box will be labeled with the product name and fragile stickers to ensure safe handling during shipping.

Shipping:

Shipping will be handled by our trusted courier partners.

We offer free standard shipping on all orders within the United States.

Expedited shipping options are available for an additional fee.

Once your order is shipped, you will receive a tracking number to track your package.

Delivery times may vary depending on your location and shipping method chosen.
