This Artificial Agave Tree is made of high quality plastic, making it a durable and long lasting option for your indoor or outdoor space. Its highly realistic appearance and insect and UV resistance make it a great choice for any setting. It is also easy to clean and requires low maintenance. Please note that it is not fire retardant.

#### Applications:

QUANGUI Artificial Plants are a great way to add some greenery to your indoor and outdoor spaces. These plants come in two models, JM-001-10003 and JM-001-12005, both of which are made in CHINA under ISO certification. The minimum order quantity is 10, at a price ranging from 11.67-16.64USD depending on the size. The packaging details are in a carton, with a delivery time of 10 days. Payment terms require a 30% deposit and a 70% balance.

The Artificial Plants are available in various sizes, with the standard sizes being 100-120CM. The colors are green and the plants are waterproof, making them ideal for outdoor use. They are also easy to clean and durable, with a life time of 3~5 years. These plants are eco-friendly, requiring no maintenance or watering, and they will never wilt or die. They can be used for a variety of occasions and scenarios, such as:

Home decor: Add some greenery to your living room, bedroom, or bathroom with these artificial plants. They are perfect for those who want the look of real plants without the hassle of maintenance.

Office decor: Create a welcoming and relaxing environment in your office with these artificial plants. They can be placed on desks, shelves, or in common areas.

Weddings and events: These artificial plants can be used as decorations for weddings, parties, and other events. They are easy to transport and set up, making them a convenient option for event planners.

Retail displays: If you own a store, these artificial plants can be used to add some greenery to your displays. They are an affordable and low-maintenance option for retailers.

Outdoor landscaping: These artificial plants are waterproof and durable, making them ideal for outdoor landscaping. They can be used to create a green wall, line a pathway, or fill in empty spaces in a garden.

With a supply ability of 1000set/month, QUANGUI Artificial Plants are a great option for anyone looking for affordable, low-maintenance, and eco-friendly greenery. Order now and enjoy the beauty of plants without the hassle!
