## Support and Services:

Our Artificial Plants product technical support team is dedicated to providing you with the best possible assistance to help you set up and enjoy your new plants. We can help you with any questions or concerns about the product, including installation, maintenance, and troubleshooting. Our team is available by phone or email to provide you with prompt and efficient service. Additionally, we offer a variety of services to help you get the most out of your artificial plants, including custom design and installation services. Contact us today to learn more about how we can help you enhance your home or office with our beautiful and realistic artificial plants.

## Packing and Shipping:

Product Packaging:

The artificial plants will be carefully wrapped in bubble wrap to prevent any damage during transit.

The wrapped plants will be placed in a cardboard box with sufficient cushioning material to ensure that they do not move around during shipping.

Each box will be labeled with the product name and a fragile sticker to alert the shipping carrier to handle the package with care.

Shipping:

We offer free shipping for all orders within the continental United States.

The shipping time will depend on your location and can range from 3-7 business days.

You will receive a tracking number via email once your order has been shipped.

For international orders, please contact us for shipping rates and estimated delivery times.
