Product Description

Product Description:

Whether you're looking to add some greenery to your home, hotel, or garden, this Fiberclay Planter is suitable for any location. Its sleek and modern design will complement any decor, while its sturdy construction ensures longevity.

This planter also features drainage holes, allowing for proper drainage to keep your plants healthy and thriving.

Constructed from a blend of clay and fiberglass, this Fiberclay Planter is lightweight yet durable. It can withstand harsh weather conditions and is resistant to cracking or fading, making it a great choice for both indoor and outdoor use.

Whether you're a seasoned gardener or just starting out, this planter is perfect for any level of expertise. Its large size allows for plenty of room for your plants to grow, while its modern style will elevate the look of any space.

Invest in our Fiberclay Planter today and enjoy the benefits of a durable, waterproof, and fireproof planter for your flowers and green plants.

Applications:

With a minimum order quantity of 10 sets, each priced at USD20 per set, the Fiberclay Planter is a budget-friendly option for any location. Whether you're looking to add some greenery to your indoor space or spruce up your garden, the Fiber Reinforced Planter is a versatile choice. Its hand-carved finishing adds a touch of elegance to any setting, while its waterproof and fireproof features make it a safe option for indoor and outdoor use.

Perfect for home or hotel use, the planter's large size allows for a variety of Flower/Green Plant options.

Each planter is carefully packaged with paper cardboard, foam, and plastic film to ensure safe delivery. With a supply ability of 300 sets per month and a delivery time of 30 days, you can trust that your order will arrive in a timely manner.

The Fiberclay Planter is available in a classic white color, but can also be customized to suit your specific needs.

Overall, the Fiber Reinforced Planter is a great choice for those seeking a durable, long-lasting, and stylish option for their planting needs.

Packing and Shipping:

Product Packaging:

The fiber clay planter will be carefully wrapped in bubble wrap to prevent any damage during transportation.

The planter will then be placed in a cardboard box, with additional packing material to ensure it does not move around during shipping.

The box will be labeled with the product name, dimensions, and fragile stickers.

Shipping:

The product will be shipped through a trusted courier service.

The estimated delivery time will depend on the shipping address.

The customer will receive a tracking number to monitor the status of their shipment.
