## Product Description

### Product Description:

The Fiber Clay Planter is suitable for use in various locations such as the garden, home, and hotels. The hand-carved finishing of the planter adds a touch of sophistication to any space it is placed in. The Quangui brand name is synonymous with quality and durability, and this planter is no exception.

The Fiber Clay Planter is waterproof and fireproof, making it ideal for use in any weather condition. It can keep 5-6 years outdoor and 7-8 years indoor, ensuring that you get the most out of your investment. The planter is also large enough to accommodate a variety of plants, allowing you to create a beautiful and lush garden in any space.

In summary, the Fiber Clay Planter by Quangui is a high-quality, fiber-reinforced planter that is both durable and elegant. Its unique composition ensures that it can withstand the rigors of outdoor use while maintaining the beauty of a traditional clay pot. Its hand-carved finishing adds a touch of sophistication to any space it is placed in, making it a perfect choice for indoor or outdoor use. Invest in the Fiber Clay Planter today and add a touch of elegance to your garden or home.

This Fiber Clay Planter is also known as Cement-Reinforced Planter, Fiberclay Planter, or Clay-Fiber Plant Pot. It is suitable for both flowers and green plants and can be used indoors or outdoors. Its smooth surface and round shape are complemented by a hand-carved finish. It is frost-resistant and has drainage holes, ensuring that your plants stay healthy and hydrated. With a lifespan of 5-6 years outdoors and 7-8 years indoors, this planter is an excellent choice for those looking for a durable and attractive planting solution.

## Applications:

Our Fiber Clay Outdoor Planters are large in size and are perfect for outdoor spaces like patios, gardens, and balconies. These planters come with or without drainage holes, so you can choose the one that suits your needs. The QG-256 model is a hand-carved planter that adds a touch of elegance to any outdoor space.

The Frost Resistant feature of our Fiber Clay Outdoor Planters makes it perfect for all seasons. Whether it's hot summers or cold winters, these planters are built to last. The Composite Clay Flower Pot is finished to perfection, making it an ideal choice for those who love handcrafted items.

Our Fiberclay Planters come with a minimum order quantity of 10 sets and are priced at USD20 per set. The packaging details include paper cardboard, foam, and plastic film to ensure that your planters arrive in perfect condition. Delivery time is 30 days, and payment terms include 30% deposit and 70% balance. Our supply ability is 300 sets per month, ensuring that we can cater to all your gardening needs.

So whether you're a gardening enthusiast or want to add some greenery to your outdoor space, Quangui's Fiber Clay Outdoor Planters are the perfect choice for you. Buy now and experience the durability and elegance of our Fiberclay Planters.

## Customization:

Customize your Fiber Cement Pot with our product customization services. Our Quangui QG-256 model is a top-quality Clay-Fiber Plant Pot that comes straight from China. This product is ISO9001 and CE certified, ensuring that it is of the highest quality. The minimum order quantity for this product is 10 sets, with a price of USD 20 per set.

Our Fiber Clay Planter is packaged with paper cardboard, foam, and plastic film to ensure its safety during transport. The estimated delivery time for this product is 30 days. Payment terms require a 30% deposit and 70% balance. Our supply ability for this Reinforced Clay Planter is 300 sets per month.

The Fiber Cement Pot comes in a round shape and modern style, making it the perfect Flower Planter & Pot for any home. It is great for planting both flowers and green plants. Additionally, our product is frost-resistant, ensuring that it can withstand even the coldest temperatures.

## Packing and Shipping:

### Product Packaging:

The fiber clay planter will be carefully wrapped in bubble wrap to protect it from any damage during transit.

The wrapped planter will then be placed in a sturdy cardboard box.

The box will be sealed with packing tape to ensure it stays securely closed.

A label with the shipping address and tracking number will be affixed to the outside of the box.

### Shipping:

The package will be shipped via a reputable courier service.

The delivery time will depend on the destination, but estimated delivery times will be provided when the order is placed.

The package will be tracked throughout the delivery process to ensure it arrives at its destination.

If there are any issues with the delivery, the customer support team will be available to assist.
