## Product Description

### Product Description:

One of the standout features of this planter is its drainage holes. Depending on your needs, you can choose between a planter with drainage holes or one without. This feature is particularly useful for outdoor settings, as it allows for excess water to drain away from the plant roots, preventing overwatering and root rot.

The Fiber Clay Planter is available in both white and custom colors, allowing you to choose the perfect match for your decor. The white option is a classic and timeless choice, while the custom colors allow for a more personalized touch. No matter which color you choose, the hand-carved finishing adds a touch of elegance and sophistication to this planter.

If you're in a hurry to receive your Fiber Clay Planter, you'll be pleased to know that the sample time is only 7 days. This means you can quickly assess the quality and color of the planter before placing a larger order.

With its durability and lightweight design, the Fiber Clay Planter can be used in a variety of locations, including indoor and outdoor settings. Whether you're using it in your garden, home, hotel, or any other location, this planter is sure to make a statement.

Overall, the Fiber Clay Planter is an excellent choice for anyone looking for a high-quality and versatile planter. With its blend of clay and fiber, drainage holes (optional), hand-carved finishing, and multiple color options, this planter is sure to meet all of your gardening needs. Whether you're looking for a Fiber Reinforced Planter, a Clay and Fiber Vase, or a Fiberclay Planter, you can't go wrong with this option.

## Applications:

These planters are frost-resistant, which makes them perfect for use in any climate. They are also fireproof and come with drainage holes which ensure proper drainage and prevent waterlogging. The large size of the planter allows for planting of different types of plants including large plants.

The minimum order quantity for these planters is 10 sets, and they are priced at USD20 per set which is affordable for both commercial and residential use. The packaging details include paper cardboard, foam and plastic film which ensures safe transportation. The delivery time is 30 days, and the payment terms are 30% deposit and 70% balance.

Quangui QG-256 Fiber Clay Outdoor Planters are highly durable and long-lasting, which makes them a great investment for any commercial or residential space. They are available in a wide range of sizes, colors, and designs to suit different occasions and scenarios. The supply ability of these planters is 300 sets per month which ensures a steady supply for large projects.

## Customization:

Looking for a modern, durable planter that will last for years both indoors and out? Check out the Fiber Clay Planter from Quangui, a cement-reinforced planter that's hand-carved for a smooth, stylish finish.

Each Quangui QG-256 planter is made in China and comes with ISO9001 and CE certification, ensuring quality and safety. The minimum order quantity is just 10 sets, with each set priced at USD20. Your planters will be delivered within 30 days and packaged carefully in paper cardboard, foam, and plastic film to prevent damage during transit.

With a life span of 5-6 years outdoors and 7-8 years indoors, these reinforced clay planters are perfect for any gardening project. Order now and take advantage of our flexible payment terms: 30% deposit, 70% balance. With a supply ability of 300 sets per month, we're here to meet your needs.
