Product Description

Product Description:

Our Fiber Clay Planter is suitable for use in a variety of locations including indoor spaces such as homes and hotels, as well as outdoor areas such as gardens and streets. With its modern design and neutral color, it is sure to complement any décor. One of the great features of our Fiber Clay Planter is its drainage holes, allowing for proper water drainage and preventing overwatering of your plants. This attribute ensures that your plants remain healthy and vibrant. In addition, sample time for this product is only 7 days, making it quick and easy to obtain. With a life span of 5-6 years outdoor and 7-8 years indoor, our Fiber Clay Planter is a long-lasting investment for your gardening needs.

Applications:

The QG-288 model of the Fiber Clay Planter is proudly manufactured in China and is ISO9001 and CE certified. You can be sure that this planter is of high quality and meets international standards. With a minimum order quantity of 10 sets and a price of only USD20 per set, it's an affordable option that won't break the bank.

Our Fiber Clay Planter comes in a classic white color, but we also offer custom colors to match your preference. The surface of the planter is smooth, providing a sleek and modern look. It's round in shape, which is perfect for showcasing your plants from all angles. The packaging of the Fiber Clay Planter includes paper cardboard, foam, and plastic film to ensure that your planter arrives in perfect condition. The delivery time is approximately 30 days, and we offer a payment term of 30% deposit and 70% balance. We can supply up to 300 sets per month, so you can be sure that we can meet your needs.

Overall, the Fiber Clay Planter is a fantastic choice for anyone looking for a durable and waterproof planter that can withstand the elements. Whether you want to use it for your flower or green plant, it's a versatile option that can be used both indoors and outdoors. Order now and enjoy the benefits of having a high-quality planter in your home!

Product Type: Flower Planters & Pots

This Fiber Clay Planter is a Composite Clay Flower Pot that is durable and lightweight. The Clay-Fiber Plant Pot is reinforced with cement, making it strong enough to withstand outdoor environments. It is perfect for use in indoor or outdoor spaces such as hotels, gardens, or streets. The planter comes in a modern style and is available in white or custom colors to fit any design aesthetic.

Packing and Shipping:

Product Packaging:

The fiber clay planter will be carefully wrapped in bubble wrap to prevent any damage during transportation.

The planter will then be placed in a cardboard box with additional packaging material to ensure it stays in place.

The box will be labeled with the product name, dimensions, and any handling instructions.

Shipping:

The fiber clay planter will be shipped via a reputable carrier.

Shipping times may vary depending on the destination.

Customers will receive a tracking number to monitor the progress of their shipment.
