Product Description

Product Description:

The Fibre Clay Planter, also known as the Composite Clay Flower Pot, is the perfect addition to any modern indoor or outdoor space. Its unique design and durability make it a popular choice for use in hotels, gardens, streets, living rooms, and more.

Available in four different sizes, including A:1000XW470XH470, B:L800*W400*H400, C:L600*W300*H300, and D:L500*W230*H230, the Fibre Clay Planter is versatile and can fit into any space. Whether you're looking for a large planter for your garden or a smaller one for your living room, there's a size that's perfect for you.

One of the key features of the Fibre Clay Planter is its durability. Made from a composite of clay and fibre, this flower pot is strong enough to withstand the elements and is resistant to cracking and fading. It's also waterproof and fireproof, making it a safe choice for indoor or outdoor use.

In addition to its durability, the Fibre Clay Planter also has good air permeability, which allows for healthy plant growth. The large size of the planter also provides ample room for your plants to spread out and grow to their full potential.

Whether you're looking to add a touch of greenery to your home, hotel, or outdoor space, the Fibre Clay Planter is an excellent choice. Its modern design and versatile use make it a popular choice for plant enthusiasts everywhere.

Features:

Product Name: Fiber Clay Planter

Material: Fiber Clay

Color: Black, Customed

Frost Resistant: Character

Brand Name: Quangui

Feature: Durable, Waterproof And Fireproof, Good Air Permeability, Large

Product Type: Fiber Clay Outdoor Planters, Fiber Cement Pot

Size:

A:Φ300*H410MM

B:Φ230*H360MM

Applications:

The QG-009 model of the Clay-Fiber Plant Pot is perfect for larger outdoor spaces, with its size of A:1000XW470XH470. This model is ideal for planting trees, shrubs, and larger plants. The smooth surface and hand-carved finishing of the planter make it an eye-catching addition to any outdoor area.

The L800*W400*H400 model (QG-009B) is the perfect size for medium-sized outdoor spaces. You can use it to create a beautiful flower garden or to grow your favorite herbs. The frost-resistant feature of the planter ensures that it can withstand harsh weather conditions, making it suitable for all seasons.

For smaller outdoor spaces, the QG-009C and QG-009D models are a great option. The L600*W300*H300 and L500*W230*H230 sizes are perfect for adding a touch of green to balconies or patios. The Clay and Fiber Vase is perfect for growing small plants and flowers.

These Fiber Clay Outdoor Planters are not only beautiful and functional but also come with ISO9001 and CE certifications, ensuring their quality and reliability. The minimum order quantity of 10 sets makes it easy to order just the right amount for your needs. At a price of USD48.5 per set, these planters are an affordable and stylish way to add some greenery to your outdoor space.

With packaging details that include paper cardboard, foam, and plastic film, the planters arrive safely and in perfect condition. The delivery time of 30 days and payment terms of 30% deposit and 70% balance make it easy to plan and budget for your outdoor space.

With a supply ability of 300 sets per month, you can be sure to get your hands on these beautiful planters whenever you need them.

Support and Services:

Our Fiber Clay Planters are made with a unique blend of clay and fiberglass, making them lightweight yet durable. They are resistant to cracking, fading, and are suitable for both indoor and outdoor use.

If you have any technical issues or questions regarding our Fiber Clay Planters, our dedicated support team is available to assist you. Our team can provide troubleshooting assistance, product information, and recommendations for how to properly care for your planter.

In addition to technical support, we offer a range of services to help you get the most out of your Fiber Clay Planter. These services include customization options, delivery and installation, and maintenance packages to keep your planter looking its best.
