Product Description

Product Description:

The Fiberclay Planter comes in three different sizes: A, B, and C. Size A measures D510 X H 900, size B measures D405 X H 800, and size C measures D290*H600. This gives customers the option to choose the perfect size for their space. The Fiberclay Planter is available in black, but custom colors can also be ordered to match any decor. The brand name of these planters is Quangui, a well-known and trusted name in the industry. These flower planters and pots are not only durable but also have a tall and large design, making them perfect for larger plants or those that need extra room to grow. The Fiberclay Planter is a great investment for anyone looking for a long-lasting and attractive planter for their outdoor space.

Applications:

The Quangui Fiber Clay Planter is a versatile product that can be used in various occasions and scenarios. It can be used as an indoor planter for hotels, offices, and homes, adding a touch of elegance and style to any interior space. The planter is also suitable for outdoor use, such as in gardens and on the street, making it a great choice for enhancing the beauty of public spaces.

The planter is available in black color, but it can be customized according to the customer's preference. It comes with drainage holes, allowing excess water to flow out and preventing waterlogging. The planter is also frost-resistant, making it suitable for use in areas with cold climates.

The Quangui Fiber Clay Planter is made of composite clay, which is a mixture of clay and fiber. This material makes the planter lightweight and durable, making it easy to move around and resistant to breakage. The planter is easy to maintain, requiring only occasional cleaning to keep it looking its best.

The packaging for the Quangui Fiber Clay Planter consists of paper cardboard, foam, and plastic film, ensuring that the product is protected during transportation. The delivery time for this product is 30 days, and the payment terms are 30% deposit and 70% balance. The supply ability for this product is 300 sets per month, and the sample time is 7 days.

In summary, the Quangui Fiber Clay Planter is a high-quality product that is suitable for a wide range of occasions and scenarios. Its lightweight and durable composite clay material, coupled with its frost-resistant and easy-to-maintain properties, make it an excellent choice for anyone looking to add a touch of elegance and beauty to their indoor or outdoor space.

Packing and Shipping:

Product Packaging:

The Fiber Clay Planter will be carefully wrapped in bubble wrap and placed in a sturdy cardboard box to ensure safe delivery. The box will be labeled with the product name and a fragile sticker to alert the carrier to handle with care.

Shipping:

We offer free shipping within the United States. Orders will be processed within 1-2 business days and shipped via standard ground shipping. Delivery times may vary depending on location, but typically take 3-5 business days.
