## Product Description

### Product Description:

One notable feature of the Fiber Clay Planter is its good air permeability, which allows for healthy root growth and plant development. Additionally, this planter is waterproof and fireproof, making it a safe option for indoor use.

The smooth surface of the Fiber Clay Planter adds a modern and sleek touch to any space, while the recyclable material makes it an environmentally friendly choice.

Depending on the location and use, the Fiber Clay Planter has an estimated lifetime of 5-6 years outdoors and 7-8 years indoors.

Drainage holes are available in the planter, which allows for proper water drainage and prevents waterlogging.

Overall, the Fiber Clay Planter is a great option for those looking for a durable, long-lasting, and stylish planter for their indoor or outdoor gardening needs.

### Applications:

The QG-015 Fiber Clay Planter is perfect for those who are looking for a stylish and functional way to display their flowers or green plants. The round shape of this Fibre Clay Planter adds a touch of elegance to any space, and the black color gives it a classic and timeless look. However, if you prefer a different color, the product can be customized to suit your taste.

Whether you're looking to decorate your home, office, or outdoor area, the QG-015 Fiber Clay Planter is a versatile product that can be used in a variety of occasions and scenarios. It's perfect for adding a touch of greenery to your living room, bedroom, or balcony. You can also use it to create a beautiful display in your office or reception area.

Thanks to its durable and frost-resistant character, this Fibre Clay Planter can withstand extreme weather conditions, making it suitable for outdoor use. It's also easy to move around and can be used to create a beautiful garden display in your backyard, patio, or balcony. If you're interested in purchasing the QG-015 Fiber Clay Planter, the minimum order quantity is 10 sets, with a price of USD16.8 per set. The product comes with paper cardboard, foam, and plastic film packaging, ensuring that it arrives at your doorstep in perfect condition.

The delivery time for this product is 30 days, and the payment terms are 30% deposit and 70% balance. The supply ability is 300 sets per month, and the sample time is only 7 days.

Overall, the QG-015 Fiber Clay Planter is a functional and stylish product that can be used in a variety of occasions and scenarios. Its durability, resistance to frost, and stylish design make it a great choice for anyone looking to add a touch of greenery to their indoor or outdoor space.
