Product Description

Product Description:

One of the best features of this planter is that it comes with drainage holes, allowing for proper water drainage and preventing overwatering. This ensures that your plants stay healthy and avoid root rot.

The Fiber Clay Planter is perfect for both indoor and outdoor use. Its modern style complements any interior design, while its durability makes it a great choice for outdoor use. Whether you want to display your favorite flowers or grow your own herbs, this planter is the perfect addition to your home or garden.

With the brand name Quangui, you can trust that this planter is made with quality in mind. Quangui is known for producing high-quality clay and fiber vases that are both beautiful and functional.

When it comes to the material, fiber clay is a combination of fiberglass and clay, making it lightweight yet sturdy. This makes it the perfect material for outdoor planters, as it can withstand harsh weather conditions without cracking or fading.

In summary, the Fiber Clay Planter from Quangui is a must-have for any plant lover. Its modern style, durability, and proper drainage make it a great choice for both indoor and outdoor use. Whether you're displaying flowers or growing your own herbs, this planter is the perfect addition to your home or garden. Get your hands on one of these fiber clay outdoor planters today!

Material: Fiber Clay

Reinforced Clay Planter

Fibre Clay Planter

Fiber Clay Outdoor Planters

Applications:

Thanks to its durable fiberclay construction, this planter is suitable for use in a variety of different environments. Whether you are looking for a decorative pot for your home, a stylish addition to your garden, or a sturdy container for your plants, this clay-fiber plant pot is up to the task.

One of the standout features of the QG-019 planter is its hand-carved finishing. This attention to detail gives the planter a unique and rustic look that is sure to complement any environment. Additionally, the planter comes in three different sizes (A:Φ380*H200 B:Φ315*H180 C:Φ270*H150), which means that you can choose the perfect size for your specific needs.

Another important consideration when it comes to planters is drainage. The QG-019 planter comes with drainage holes, which means that you don't have to worry about overwatering your plants and causing damage to their roots.

Overall, the Quangui QG-019 Fiberclay Planter is a versatile and durable option that is perfect for a wide range of applications. Whether you are looking to add some greenery to your home, garden, or outdoor space, this planter is a great choice. With a delivery time of just 30 days and a supply ability of 300 sets per month, you can rest assured that you will receive your planter in a timely manner. The packaging details include paper cardboard, foam, and plastic film for added protection during shipping. Payment terms are 30% deposit and 70% balance, making it easy to order and receive your planter.
