Applications:

Quangui QG-024 Fiber Clay Planter is a perfect combination of Clay and Fiber, providing a strong and durable material. The planter is a perfect fit for modern homes, offices, hotels, and other indoor and outdoor spaces. The Composite Clay Flower Pot is designed to withstand extreme weather conditions, making it an ideal choice for outdoor use. It is waterproof and fireproof, providing an extra level of safety and protection.

The Fiber Cement Pot comes in two sizes, A:L360*W360*H530 and B:L280*W280*H400, making it easy to choose the perfect size for your needs. The planter has good air permeability, ensuring that the soil remains moist and your plants grow healthy. The strong freeze-thaw resistance allows the planter to withstand temperature fluctuations, making it ideal for use in areas with varying climates.

The Quangui QG-024 Fiber Clay Planter is certified with ISO9001 and CE, ensuring that the product is of high quality and meets all the necessary standards. The minimum order quantity is 10 sets, and the price is USD22.30/set. The packaging details include paper cardboard, foam, and plastic film, ensuring that the planter arrives in perfect condition. The delivery time is 30 days, and the payment terms are 30% deposit and 70% balance.

The Clay and Fiber Vase is a Flower Planter & Pot and can be used to grow flowers and green plants. The planter is suitable for different occasions and scenarios, including home and office decoration, hotels, and other indoor and outdoor spaces. The planter's modern style adds a touch of elegance to any space, making it a perfect fit for modern homes and offices.

The Quangui QG-024 Fiber Clay Planter is a high-quality product with a supply ability of 300 sets/month. It is a perfect choice for anyone looking for a durable, waterproof, and fireproof planter with excellent air permeability and strong freeze-thaw resistance.
