## Product Description

### Product Description:

One of the key features of the Fiberclay Planter is its durability. This planter is waterproof and fireproof, making it ideal for use in any space. Additionally, it has good air permeability, which promotes healthy root growth and helps to prevent over-watering. The Fiberclay Planter is also incredibly strong, with excellent freeze-thaw resistance. This makes it perfect for use in colder climates, where other planters may crack or break due to the harsh weather conditions.

With a life span of 5-6 years outdoors and 7-8 years indoors, the Fiberclay Planter is a long-lasting investment for any home, hotel or garden space.

Available in two sizes, A:Φ300\*H410MM and B:Φ230\*H360MM, this fiber reinforced planter is perfect for showcasing your favorite plants and flowers. Whether you're looking to add some greenery to your indoor space or create a stunning outdoor garden, the Fiberclay Planter is the perfect choice.

### Features:

Product Name: Fiber Clay Planter

Product Type: Flower Planters & Pots

Frost Resistant: Character

Surface: Texture

Sizes:

L1200\*W600\*H600

L1000\*W500\*H500

L800\*W300\*H300

Drainage Holes: YES/NO

This Fiber Clay Planter is a fiber reinforced planter made with a cement-reinforced planter that provides a strong and durable structure. The clay-fiber plant pot has a textured surface and is frost resistant, making it perfect for outdoor use. It comes in various sizes and has the option for drainage holes to ensure proper water flow for your plants.

### Applications:

The Fiber Clay Planter is perfect for a range of product application occasions and scenarios. It can be used to decorate homes, offices, gardens, and outdoor spaces. It is great for planting flowers, herbs, and small trees. The planter can be used as a centerpiece or in groups to create a beautiful display.

The Fiber Clay Planter is designed with drainage holes to ensure proper water drainage, preventing overwatering and root rot. The planter is made from fiberclay, making it lightweight and easy to move around. The packaging details include paper cardboard, foam, and plastic film, ensuring the planter arrives safely.

The minimum order quantity for the Fiber Clay Planter is 10 sets, and the price is USD142.5 per set. The delivery time is 30 days, and the payment terms are 30% deposit and 70% balance. The supply ability is 300 sets per month, ensuring that you can get the planter when you need it.

The Quanguai QG-025 Fiber Clay Planter is versatile, durable, and adds a touch of elegance to any space. It is suitable for both indoor and outdoor use and is perfect for planting a variety of plants. The unique texture of the planter adds to its aesthetic appeal and makes it a great addition to any decor. Whether you're a homeowner, gardener, or landscaper, the Fiber Clay Planter is an excellent choice for your planting needs.
