Applications:

One of the key features of this planter is its durability. Made from fiber reinforced materials, it is able to withstand the elements, making it perfect for use in outdoor areas. The frost-resistant character of the planter ensures that it will not crack or break in extreme temperatures, ensuring that it will last for years to come.

The QG-038 is available in two sizes, A:Φ300*H410MM and B:Φ230*H360MM, making it suitable for a wide range of plants. Whether you are looking to grow flowers or green plants, this planter can accommodate your needs.

Thanks to its modern design, the QG-038 is perfect for use in a variety of scenarios and occasions. It can be used to add a touch of elegance to your home, office, or outdoor space. Whether you are looking to create a beautiful garden or simply want to add a touch of nature to your living space, this planter is the perfect choice.

When you purchase the QG-038, you can rest assured that you are getting a high-quality product that has been certified to meet ISO9001 and CE standards. Additionally, the minimum order quantity is only 10 sets and the price is only USD27.2 per set, making it an affordable option for those on a budget.

The QG-038 comes with packaging details including paper cardboard, foam, and plastic film, ensuring that it will arrive at your doorstep in perfect condition. Delivery time is 30 days and payment terms require a 30% deposit with the remaining 70% balance paid upon delivery. With a supply ability of 300 sets per month, the QG-038 is a great option for those who need a large quantity of planters. Whether you are a business owner or simply looking to add some greenery to your home, this planter is a great choice.
