Product Description

Product Description:

The powder-coated finish on the Firepit not only adds to its aesthetic appeal, but it also provides added protection against rust and corrosion. The smooth surface of the Firepit makes it easy to clean and maintain.

With a lifetime of up to 5-6 years outdoors and 7-8 years indoors, the Firepit is a durable investment that will provide endless hours of warmth and entertainment.

Whether you're roasting marshmallows or cooking up a delicious meal, the Firepit has you covered. Its versatile design allows for a variety of cooking methods, making it a great alternative to a gas square fire pit.

In addition to its functionality, the Firepit also adds a touch of style to any outdoor space. It's the perfect centerpiece for any backyard gathering, and its sleek design complements any decor.

Overall, the Firepit is a must-have for anyone who enjoys spending time outdoors. It's a great investment that will provide years of use and enjoyment. So why not invest in a Firepit today and start creating memories that will last a lifetime?

Surface	Smooth
Shape	Round
Material	Fiber Clay
Brand Name	Quangui
Color	Customed
Style	Modern
Usage	Indoor Hotel Garden Home

Applications:

The fire pit is versatile and can be used in various scenarios. It is perfect for outdoor gatherings such as camping trips, picnics, and barbecues. It can also be used as a source of heat during cold nights, providing warmth and comfort.

The Quangui QG-FR-04 fire pit is also a great addition to fire fighting pumps and CAFS fire trucks. It can be used to burn debris and other materials that need to be disposed of quickly and efficiently.

The fire pit is designed to burn charcoal, providing a more authentic and traditional fire experience. It is easy to set up and use, making it a great option for those who enjoy the outdoors but do not want to spend hours setting up a fire.

The fire pit is sold in sets of 10 and has a price of \$48.5 per set. The packaging details include paper cardboard, foam, and plastic film, ensuring that the product arrives at its destination in perfect condition. The delivery time is 15 days, and the payment terms are 30% deposit and 70% balance.

With a supply ability of 500 sets per month, the Quangui QG-FR-04 fire pit is a reliable and durable product. Its versatility and ease of use make it an excellent addition to any outdoor space, and its compatibility with fire fighting pumps and CAFS fire trucks make it a valuable tool for those in the fire fighting industry.
