Product Description

Product Description:

Made with high-quality Fiber Clay material, this firepit is durable and can withstand extreme temperatures. It is designed to be used both indoors and outdoors, making it a versatile addition to your home, hotel, or garden.

Our Firepit product is perfect for those who love to entertain guests, especially during the colder months. It can be used to roast marshmallows, cook hotdogs, or simply enjoy the warmth of the fire. It's also a great way to create a relaxing ambiance and enhance your outdoor space.

In addition to its functionality, this firepit product is also aesthetically pleasing, with a modern design that will complement any outdoor decor.

Ordering is easy and hassle-free with a sample time of only 7 days. Plus, our customer service team is always ready to assist you with any questions or concerns you may have.

For added safety, we recommend pairing this Firepit product with a Fire Pit Mat to protect your patio or deck from any potential damage. And in case of an emergency, make sure to have a Fire Fighting Pump or Fire Fighting Truck nearby to ensure the safety of everyone around.

Features:

Product Name: Firepit

Material: Fiber Clay

Shape: Round

Brand Name: Quanguai

Usage: Indoor, Hotel, Garden, Home

Surface: Smooth

The Firepit is a stylish and functional addition to any indoor or outdoor space. Made from durable fiber clay, it features a smooth surface and a round shape that is perfect for gathering around with friends and family. Whether you're hosting a backyard barbecue, enjoying a nightcap on the patio, or just relaxing in the garden, the Firepit is the perfect way to add warmth and ambiance to your space. With its high-quality construction and sleek design, the Firepit is a must-have for anyone who loves spending time outdoors. And with its versatile usage options, it's perfect for use in a wide range of settings, from commercial fire trucks and fire fighting pumps to hotel gardens and residential homes. So why wait? Order your Firepit today and start enjoying the warmth and beauty of this incredible product!

Applications:

The Firepit is designed to give users a comfortable experience while enjoying the warmth of fire in their outdoor spaces. It is ideal for outdoor locations such as patios, gardens, and cottages. The product is perfect for gatherings, parties, or simply to relax with family and friends.

The Firepit is an excellent choice for homeowners who are looking for an alternative to traditional fireplaces. It is a safe and environmentally friendly option that uses Ethanol Fire Pits as a fuel source. This makes it easy to light and control the fire, ensuring that it does not get out of hand.

Furthermore, the Firepit is easy to assemble and disassemble, making it a perfect product for those who love to travel. It comes with a packaging detail that includes paper cardboard, foam, and plastic film, ensuring that it is well protected during transportation. It also comes with a delivery time of 15 days and payment terms of 30% deposit and 70% balance.

The Firepit is also a great addition to camping trips, as it provides warmth and a cozy atmosphere. It can be easily set up in minutes, allowing campers to enjoy the outdoors while staying comfortable and warm. The product is also durable, ensuring that it can withstand harsh outdoor conditions.

Overall, the Quangui QG-FR-02 Firepit is a versatile product that can be used in many different occasions and scenarios. It is perfect for homeowners, campers, and anyone who loves spending time outdoors. It is also an excellent option for those looking for a safe and environmentally friendly alternative to traditional fireplaces. So, whether you are looking to relax in your backyard or go on a camping trip, the Quangui QG-FR-02 Firepit is an excellent choice.

Customization:

Customize your Quangui Charcoal Burning Fire Pit (model QG-FR-02) to your liking with our product customization services! Our fire pits are made in China and certified with ISO9001 and CE for quality assurance.

The minimum order quantity is 10 sets, and each set is priced at \$35.7. Packaging details include paper cardboard, foam, and plastic film to ensure safe delivery. Delivery time is estimated to be 15 days, and payment terms are 30% deposit and 70% balance.

We have a supply ability of 500 sets per month, and our fire pits come with the convenient feature of being easily assembled and cleaned. The charcoal grill is zinc plated and the cooking grid is chrome plated. The color can be customized to your preference.

Get the most out of your fire pit with our customization services! Whether you want to add fire pit mats for added safety or design your own Fire Fighting Trucks logo to make it unique, we can make it happen!
