## Applications:

Fiber Clay Planters, also known as Fiberclay Planters, Fiber Reinforced Planters, or Composite Clay Flower Pots, are versatile and durable gardening products offered by the Quangui brand (Model Number: QG-FR-01), originating from China. These planters are widely used in various applications due to their unique features and characteristics.

The Fiber Clay Planter by Quangui is suitable for a wide range of application occasions and scenarios. These planters are ideal for both indoor and outdoor use, making them perfect for homes, offices, gardens, patios, and commercial spaces such as restaurants, hotels, and malls. The customizable color options allow them to blend seamlessly with any decor style, adding a touch of elegance and greenery to the surroundings.

With certifications including ISO9001 and CE, customers can trust the quality and reliability of the Fiber Clay Planter. The easy assembly feature makes it convenient for users to set up the planters without any hassle. Additionally, the smooth surface of the planters not only enhances their aesthetic appeal but also makes them easy to clean and maintain.

Whether for personal use or as part of landscaping projects, the Fiber Clay Planter is a popular choice among gardening enthusiasts and professionals. The minimum order quantity of 10 sets makes it accessible for both small-scale and large-scale buyers, while the competitive price of \$35.7 per set offers great value for money.

Packaged securely with paper cardboard, foam, and plastic film, the Fiber Clay Planters by Quangui are delivered within 30 days of placing an order. Customers can avail themselves of flexible payment terms with a 30% deposit and 70% balance. With a supply ability of 300 sets per month, Quangui ensures a steady availability of these premium quality planters to meet the demands of various customers.
