Product Description

Product Description:

The Fiber Clay Planter is a versatile and stylish addition to any indoor hotel garden or home decor. This planter is designed with a round shape, providing a classic and elegant look that complements a variety of interior design styles. Constructed from high-quality fibre clay material, this planter is not only durable but also lightweight, making it easy to move and rearrange to suit your space. The fibre clay material is also waterproof and fireproof, ensuring that your plants are well-protected and safe in any environment.

The surface of the Fiber Clay Planter features a unique texture that adds a touch of sophistication and visual interest to your plant display. Whether used as a standalone piece or grouped together with other planters, this planter will enhance the aesthetics of your space.

One of the key features of this planter is its excellent drainage system. With drainage holes included, excess water can easily escape, preventing overwatering and root rot. This ensures that your plants remain healthy and thrive in their new home.

The Fiber Clay Planter comes in two different sizes to suit your specific needs. Size A measures $\Phi 300 \times H410$ MM, while Size B measures $\Phi 230 \times H360$ MM. Whether you have larger plants or smaller succulents, there is a size option that will accommodate your greenery beautifully.

Overall, the Fiber Clay Planter is a practical and stylish choice for those looking to enhance their indoor space with plants. Its durable construction, waterproof and fireproof properties, light-weight design, and unique texture make it a standout piece that will elevate the look of any room.
