Product Description

Product Description:

The Fiber Clay Planter is not just a regular plant pot - it is a multifunctional accessory that can be used for various purposes. Whether you need a stylish container for your indoor plants, a charcoal oven for outdoor cooking, a warmer for chilly evenings, a camping burner for outdoor adventures, a heater to keep you cozy, or a barbecue for entertaining guests, this planter has got you covered.

One of the standout features of this planter is its customizable color options. You can choose a color that complements your existing decor or makes a bold statement in your space. The customized color adds a personal touch to your plant display or outdoor setup, making it truly unique.

Designed for indoor, hotel, garden, and home use, the Fiber Clay Planter is a versatile piece that fits seamlessly into any environment. Whether you want to add a touch of greenery to your living room, create a welcoming atmosphere in a hotel lobby, enhance the beauty of your garden, or elevate the curb appeal of your home, this planter is the perfect choice.

Each Fiber Clay Planter is meticulously hand-carved to ensure a refined finishing that meets the highest standards of craftsmanship. The intricate details and smooth surfaces give this planter a sophisticated look that enhances the overall aesthetic of your space.

With the Fiber Clay Planter, you can enjoy the beauty of nature in a modern and functional way. This Clay-Fiber Plant Pot is not just a container for your plants - it is a versatile accessory that adds style and functionality to your indoor or outdoor space. Whether you are a plant enthusiast, a cooking aficionado, or a host who loves to entertain, this planter is the perfect choice for you.

Applications:

Quangui Fiber Clay Planter (Model: QG-288) is a versatile and stylish option for various application occasions and scenarios. Crafted in China, Guangdong, this planter is ISO9001 and CE certified, ensuring quality and reliability.

With a minimum order quantity of 10 sets and a competitive price of USD18.5 per set, the Quangui Fiber Clay Planter is an excellent choice for indoor, hotel, garden, and home use. Its round shape and textured surface add a touch of elegance to any space.

The different sizes available cater to different needs - Size A: $\Phi 350 \times H400$ B: $\Phi 300 \times H350$ Whether you need a larger planter like B: $\Phi 300 \times H350$ for a statement piece or a smaller option like B: $\Phi 300 \times H400$ MM for a more subtle touch, Quangui has you covered.

Thanks to its fiber clay material, this planter is both durable and lightweight, making it easy to move and reposition as needed. The fiber reinforcement ensures strength and longevity, offering a cost-effective alternative to traditional cement-reinforced planters.

Packaged securely in paper cardboard, foam, and plastic film, the Quangui Fiber Clay Planter is well-protected during transportation. With a delivery time of 30 days and payment terms of 30% deposit and 70% balance, ordering and receiving your planters is a smooth process.

Quangui's supply ability of 300 sets per month means you can easily source these high-quality planters for your various projects and spaces. Elevate your interior design, landscaping, or hospitality environment with the Quangui Fiber Clay Planter, a blend of style, functionality, and durability.
