Product Description

Product Description:

The Fiber Clay Planter is a stylish and modern addition to any indoor decoration setting. Crafted from fiber cement material, this Fibre Clay Planter combines the classic charm of antique and vintage pots with the sleek design of modern planters.

Available in two sizes, this planter comes in Size A: Φ300*H410MM and Size B: Φ230*H360MM, making it suitable for a variety of plants and spaces. Whether placed in a home, garden, plant engineering project, or hotel, this Fiber Clay Planter adds a touch of elegance and sophistication.

The hand-carved finishing of the planter adds a unique and artisanal touch to its overall design, elevating the aesthetic appeal of the space it occupies. The intricate details of the hand-carved finish make each planter a one-of-a-kind piece that is sure to stand out.

One of the key features of the Fiber Clay Planter is its drainage holes, which allow for proper water drainage and aeration for plant roots. This ensures that your plants remain healthy and vibrant, preventing waterlogging and root rot.
