### Applications:

The Fiber Clay Planter by Quanguai (Model Number: QG-003) is a versatile and durable option for a variety of product application occasions and scenarios. Made in China, this planter boasts a range of features that make it suitable for both indoor and outdoor use. With its weather-resistant properties, the Fiber Clay Planter is ideal for outdoor spaces such as gardens, patios, and balconies. Its frost-resistant characteristic ensures that it can withstand varying weather conditions, making it a reliable choice for all seasons.

For interior design projects, this planter can add a touch of greenery to homes, offices, or commercial spaces. The round shape of the planter provides a classic and versatile look that complements a variety of decor styles.

The Fiber Clay Planter is available in two size options:  $\Phi 300 \times H410MM$  and  $\Phi 230 \times H360MM$ , allowing for flexibility in placement and plant selection. Its long lifespan of 5-6 years outdoors and 7-8 years indoors ensures that it will be a lasting addition to any space.

Each set of the Fiber Clay Planter is carefully packaged with bubble foam to prevent any damage during transportation. With a supply ability of 1000 sets per month, customers can rely on timely delivery of their orders.

When purchasing the Fiber Clay Planter, the minimum order quantity is 30 PCS, with a price of USD\$20 per unit. Payment terms include a 30% deposit and 70% balance, providing flexibility for buyers.

Furthermore, the Fiber Clay Planter is certified with ISO9001 and CE, assuring customers of its quality and safety standards. The delivery time for orders is 30 days, allowing for efficient procurement and planning.

In conclusion, the Fiber Clay Planter from Quangui is a top choice for those in need of a reliable and stylish weather-resistant pot. Whether for outdoor landscaping projects or indoor decor arrangements, this planter offers durability, versatility, and aesthetic appeal.
