### Applications:

Quangui Fiber Clay Planter, model number QG-SY D07Y162, is a versatile and durable product suitable for a wide range of application occasions and scenarios. Made from a unique blend of clay and fiber, this Composite Clay Flower Pot offers the perfect balance between traditional aesthetics and modern functionality.

Originating from China, specifically Guangdong, this Cement-Reinforced Planter boasts ISO9001 and CE certifications, ensuring high quality and safety standards. With a minimum order quantity of 10 sets and a competitive price of USD12.2 per set, it is an affordable option for both personal and commercial use.

The packaging details include a sturdy carton for secure transportation, and the delivery time is estimated at 30 days. Payment terms are convenient with a 30% deposit required upfront and the remaining 70% balance to be settled upon delivery.

With a supply ability of 300 sets per month, the Quangui Fiber Clay Planter is ideal for various locations such as antique shops, vintage pot stores, floors, homes, gardens, plant engineering projects, and hotels. Its versatility extends to being used with charcoal ovens, camping burners, heaters, and barbecues, making it a practical choice for outdoor activities.

This Clay and Fiber Vase has a long lifespan, capable of withstanding outdoor conditions for 5-6 years and lasting up to 7-8 years when used indoors. Its durability and resistance to weather make it a reliable choice for both residential and commercial settings.
